

RECREATION NEWSMEN'S FITNESS PROGRAMME

Recently the Recreation Office has been requested to look into the possibility of sponsoring a Men's Fitness programme once weekly. Prior to working out the details for such a programme, the interest must be determined. Therefore, any adult wishing to take part in a Men's Fitness programme should leave their name and telephone number at the Recreation Office.

Anyone who is interested in taking this programme will have up until Friday, October 20th, to register. If sufficient interest is shown by that date, an organizational meeting will take place to work out the details for such a programme.

Register by October 20th by leaving your name and telephone number at the Recreation Office.

REGISTER FOR RINGETTE AND GIRLS' HOCKEY

Special registration forms will be circulated throughout the schools during the early part of next week. The registration forms will have all of the necessary information pertaining to the operation of the league.

The Recreation Department is hopeful that if sufficient interest is shown, league and exhibition games will be arranged in both Ringette and Girls' Hockey for this coming year.

ADULT-STUDENT VOLUNTEERS REQUIRED

In order to operate a Ringette and Girls' Hockey programme, a number of volunteers will be required to assist in the refereeing and coaching. If you are interested in assisting the girls this winter, please give the Recreation Office a call.
