

TERRACE BAY RESIDENT APPOINTED AS ONTARIO MUNICIPAL RECREATION ASSOCIATION DISTRICT REPRESENTATIVE

As of September, 1972, Mrs. J. Chapman has officially been appointed to the Board of the Ontario Municipal Recreation Association. As District Representative, Mrs. Chapman's area extends from the east border of the City of Thunder Bay straight through to White River. The area is divided into a number of zones. Each zone usually holds a number of conferences throughout the year which result in resolutions being presented to the annual meeting of the Ontario Municipal Recreation Association.

The Ontario Municipal Recreation Association is primarily devoted to the development of recreation in the Province of Ontario. It is an organization of lay people who volunteer their time and efforts towards furthering recreation in the province.

The fall conference of Zone "A" of the O.M.R.A. (Schreiber, Terrace Bay, Manitouwadge and Marathon) is being held in Manitouwadge this coming weekend on October 13th-14th. Any resolutions resulting from this meeting will be presented by Mrs. Chapman to the annual meeting which will be held in May, 1973.

This marks the first time that a person acting as District Representative of the Ontario Municipal Recreation Association is a resident outside of the City of Thunder Bay.

ONTARIO ESTABLISHES HOUSING TASK FORCE

Premier William Davis announced the establishment of an advisory task force on housing to reassess the government's role in the provision of public and private housing.

Mr. Davis said that since the creation of the Ontario Housing Corporation eight years ago, the Province of Ontario has consistently led the rest of

Canada in the production of socially-assisted housing.

"Now we have arrived at the time to reassess our housing programs," Mr. Davis said. "One of the major roles of the task force will be to pull together the many housing studies done at the national level and relate them to Ontario's programs."

Mr. Davis named Eli Comay, 52, a Toronto planning consultant and professor in environmental studies at York University, as chairman of the Ontario Advisory Task Force on Housing Policy. His appointment is effective October 11th.

Other task force members will be announced shortly.

Mr. Davis said the task force will examine "the current housing situation in Ontario and report on the appropriate role of the Ontario government, in company with other levels of government, the business sector and private citizens."

It will also look at the experience of the Ontario Housing Corporation and consult with the Ontario Housing Advisory Committee, as well as review existing studies and information collected at the
