What is family-size hot water?

It's *enough* hot water...enough hot water for all the baths, showers, dish washings, floor washings and laundries that it takes to keep your family and your home sparkling clean. Cascade will give you family-size hot water, because it's designed for the job.

The electrical industry put years of research into the Canadian family's hot water needs. Cascade was the result—built by qualified manufacturers to rigid specifications to assure you of dependability and complete satisfaction.

Get the Cascade with the capacity that's right for you and enjoy hot water *family-size*. Cascade, the clean, safe, efficient, electric water heater.
