Given under my hand this 1st day of November, 1972

E. Lyons
Returning Officer.

STORK CLUB

Born to Mr. and Mrs. T. Stachiw of Terrace Bay a boy on October 20th, 1972.

IN BRIEF

Mr. William Jones of Terrace Bay is well known amongst us for his used stamp collecting program* to help the leprosy mission. Bill recently received a note of thanks from the mission "Thank you for sharing in our Help Stamp Out Leprosy programs. We are so grateful to you and many other kind friends who are co-operating in sending their used stamps to us. Our 1972 goal for proceeds from the sale of these stamps is \$7,500 which will provide special sandals for patients with foot ulcers, as well as medicines for 5,000 patients in the Village Clinic program around our Naimi Leprosy Hospital in India. Amount received to Mid-September \$7,364. "

In last weeks issue of the News in a letter to the Editor a local citizen voiced his opinion with regard to the Lake Superior Board of Education. In this letter he stated that municipal leaders were not making an effort to correct this costly situation. We have since then received a copy of a brief from the Township of Marathon which was submitted at the Cost of Education meeting and officially endorsed by the Terrace Bay Council.

Residents are reminded that the period for filing nominations for the forthcoming Municipal Election is November 9th-13th. Be sure to check the voters' list now posted at the Municipal Office and Post Office. The last day for filing complaints is Friday, November 3rd.

Mrs. Colleen Persson and Mrs. Ev Knauff, of Terrace Bay were amongst 34 persons receiving a certificate presented by the Northwestern Regional Library System, following successful completion of a series of workshops on the basic aspects of library work in a small public library. Regional Library Director Alan Pepper reports that the course, which was carried out at a series of one-day workshops over the last three years, covered the fields of library administration, cataloguing and classification, selection of materials and reference work. In addition to attending the workshops, participants were required to demonstrate their competence by carrying out a variety of assignments, many of a practical nature. Congratulations is certainly in order for these two ladies.

Mr. and Mrs. George Artist of Thunder Bay spent the weekend visiting Mrs. Artist's sister, Marge Lundberg and Sax.
