FOR YOUR SPECIAL DAY

Though many years of joy gloom
Everything you've shared
Good times, bad times, but all along
You both have always cared.

There were times when you were happy
And again times when you were sad
I'm sure nothing can compare
To the memoires you'll always have.

Faithfulness and sincerety
Have bonded you together
And the love you both have deep inside
Will certainly last forever.

Enjoy this day now, Nan and Pop
Its' yours and yours alone
Be thankful for the fullness that
You've built within your home.

There aren't many who are as fortunate
As the two of you have been.
And I'm grateful that it's both of you
My loving Grand parents you have been.

So in closing I'd just like to add
That on my list you are both on top,
So celebrate but take it easy tho'
On your Anniversary Nan and Pop.

LADIES TO AIDE HOSPITAL TUCK SHOP

Mrs. Anne Wilde held a coffee party Wednesday
afternoon for the ladies of the village who were
interested in assisting the McCausland Hospital
Ladies Auxiliary to raise funds and supplies suitable
for the hospital tuck shop. On being so far from
the hospital which would involve a fifty mile return
trip to attend meetings in all kinds of weather, the
ladies present decided to put on a bingo in the
spring as the weather turning colder, fewer people
would take part. Mrs. Wilde and Mrs. Todesco
displayed articles and novelties that would be easy
to make for the Tuck Shop. Mrs. Todesco asked for
donations of yarn for the knitters and suggested
homemade candy as well as books, magazines in
good condition, books and safe toys for the childrens
ward.

Being such a distance from the hospital, the ladies
thought that they could not volunteer for any services
in the hospital but would assist in anyway possible
otherwise. A box of articles are to be ready by the
middle of November.
