The Children's Aid Society of the District of Thunder Bay held a meeting in Schreiber, with Mrs. Adele Laskin as chairman. An interesting film on "Wherever There are Children" was shown.

Mrs. Laskin gave an excellent presentation of the background, the work, and the hopes of the C.A.S.... The present Association was formed in 1967. The Boundaries of their work stretches from the English River on the west to White River on the east, the U. S. boundary on the south and the Albany River on the North - for a total of 250,000 square miles. There are 50 Children's Aid Societies in Ontario and the Thunder Bay one is second only to Kenora in area. To cover this vast area with a scattered population of 144,000, the Society employs a local director, coordinator of services, and 35 social workers.

In 1971 the Board controlled a budget of \$1,082,806 of which 78.22 per cent was provided by the Ontario Government and 21.78 per cent by the municipalities
