### LIBRARY NEWS

Every year libraries across Canada set aside a Week in which special attention is turned to children and their relationship with books. The importance of that relationship cannot be overstressed. The most demanding task that society as a whole has to fulfil is the realization of the potential which lies in its children. One of the best means of developing that potential is through the use of books. Books, to use an old cliché

hold the key to the past, the present and the future.

In keeping with Young Canada's Book Week, November 15 - 22, the reading program for children 3 and 4 years of age will commence Saturday, Nov. 18 at 10:30 - 11 a.m. at the library.

Louise Brooks, with two helpers will look after this program. This is a good opportunity to introduce your child to the world of books. Enrol your child now. Phone 3819 (Library).

What is the purpose of Young Canada Book Week?

1. To arouse interest in good books for boys and girls.
2. To encourage the reading of worthwhile books at home, at school, at the library.
3. To remind adults of the important place good books have in a child's life.

Send your child to the library.

## WHAT CAUGHT MY EYE

Poor Ol' Lorne Greene. He's been told by the National Broadcasting Co. that his "bread and butter" will be cancelled, effective Jan. 23. Isn't that just too bad. Lornie baby, better know as Ben (or Pa) Cartwright, can't really kick. After all, the series headed the TV listings for something like 14 years and he was pocketing \$32,000 a week for the 1 1/2 hour

cont'd on page 7.....
