RECREATION NEWSGirls Ringette Programme:

Teams have been selected and league schedules drawn up for the girls Ringette league. Two separate leagues will be operated, one for juniors and one for seniors. Games will be scheduled for Saturday mornings with open practises being held on Tuesdays and Thursdays.

So far we have a total of six people who have indicated their willingness to assist the girls in the capacity of referees and coaches. We could use more volunteer help, so if you can assist the girls, please call the Recreation Office at 3542.

Last Sunday, November 19th, a total of 349 spectators witnessed the first home games of this season for our Major Peewees, Bantams and Midgets. It was extremely encouraging to see such a good turnout and the Minor Hockey executive hopes that local fan support will continue throughout the season.
