

Sports Slants - cont'd

His goaltending average was 2.16, just .004 percentage higher than at this time last year

Now that Bobby Orr is back in Boston Bruins' line-up and playing regularly, I suppose the Bruins are going to fly by the New York Rangers and the Canadiens. Isn't it amazing how one player can make such a big difference to a hockey club ???

Philadelphia Blazers of the World Hockey Association, though, have what they felt would be two of the biggest heroes in the WHA -- Derek Sanderson and John McKenzie -- and they're paying top salary to them both. Yet, the poor Blazers are away down there in the standings. It's a pity to be paying a guy like Sanderson over \$250,000 a year and not being a contender. Sanderson, of course, has been on the injury list. More reason to get mad when you're paying a guy that kind of money and all he does is watch from the sidelines ...

Sympathy is expressed to Mrs. Sadie Gaulin of East Angus, Quebec, on the passing of her Mother, Mrs. A. Miles.
