Basketball fans are anticipating more exciting games during the forthcoming weeks.

ROBBED OF VICTORY

The Terrace Bay "Superiors" found themselves robbed of victory in the last few minutes of the third period Sunday in Manitouwadge.

These games between Terrace Bay and Manitouwadge are proving to be very tense, fast and exciting as the teams seem to be very evenly matched. One interesting aspect of their last bout was that there were more total goals than total penalties.

The "Copper Kings" edged out the Superiors 3-2. There were only four penalties in the game, two to each team.

Terrace Bay fans will have another opportunity to see these teams in action this Sunday. As usual, this promises to be another great game as the locals are looking for their first victory over the visitors after tying them 6-6 the last home game.

For a new team in this league, the "Superiors" are beginning to show their potential very early and many observers continue to predict an upset by our boys before this season ends.

Terrace Bay opening the scoring in the first period with a goal by Pat Heenan from Hamilton and Schritt. The "Copper Kings" evened the score in the second to make it 1-1 going into the last period.

The Superiors second goal came from the stick of a new team member, Jack O'Javee who is not at all unknown in Terrace Bay hockey. Jack promises to be a strong asset to this club. Again, the assist came from Rick Hamilton.

The Copper Kings down 1 goal came back strongly to first tie the game and then in the last remaining minutes to beat net-minder Richard Petrus to score

the winner.

These games with Manitouwadge are going to bring back some great hockey to the local area.

Make a point of being on hand Sunday to see the Superiors host the Copper Kings for the return match. Hopefully, with the home-ice advantage, Terrace Bay will improve their score.

DELAY FOR NORTHERN CATV SERVICE

There will be a delay in inaugurating the Educational Television Service which was to begin operation on December 1st. The delay is due to equipment installation which has not been completed. It is hoped that the television station which is to be operated from the Terrace Bay Campus will be in operation within two weeks.

The service, when fully operational, will supply the community with ten hours of educational programs which are not available on the present channels in Terrace Bay.

The Winner of the Schrieber Junior Hockey 50-50 Draw was DON McCOUAN.

December draw will be on December 22.
