

Terrace Bay Superiors - cont'd from page 15

only after working beautifully to get around three opposing players.

In the third period another goal by O'Javee and two more to give Dashkewytch a hat trick pushed the Superiors well into the lead. The final score of 6-4 reflects the determination of both teams. These games with Manitouwadge are providing a great deal of excitement for the Superior fans.

The Superiors have only met Marathon twice early in the season and on both occasions were defeated. The locals get another chance to win over Marathon next week on Thursday here at home. Marathon is currently one point ahead of Terrace Bay in league standings. A victory next week could put Terrace Bay in a close second position.

For a new team in this Junior "B" league, the Superiors are certainly beginning to show their strength. Come out and support them next week.
