arrived recently and work will start on wiring the building, including the electrical heaters. The panels for the lounge and hall have been ordered and as soon as the wiring is complete the interior can be completed.

There is lots of work to do in the next few months, so all you Legionaires should be out to help. Harry Gusul is the Building Chairman so call him if you want to know the best time to turn out to help. Money is also needed to pay for this project. Members who wish to help can donate \$5.00 for one wall panel. A log book will be kept showing members who have made donations. And you can donate as many wall panels as you like.
