

Legion Auxiliary - cont'd

Mrs. Pat Moore, treasurer, reported there was a membership of 84 in 1972 with 15 new ones welcomed.

Mrs. Mills volunteered to assist Mrs. Smart at the regular bingos.

The next meeting will be on February 6th.

C.P. AND T. COMMITTEE

The C.P. and T. Committee, of Ruby Rebekah Lodge, held their regular meeting on January 14th in Mrs. Gladys Hamilton's home with Mrs. Elizabeth Harris presiding. A donation of \$200.00 was made to Amethyst House in Thunder Bay, to be used by the Cancer Society in furnishing the House which is used by out-patients while taking treatment in the city.

The formal presentation will be made by Mrs. Mavis Slater, president of the Rebekah Assembly of Ontario, on January 19th.

Many appreciative notes were read from ones receiving Christmas gifts from the committee whose work is entirely concerned with social service. They maintain an extensive number of articles required in care of the sick in their homes, ranging from canes to hospital bed and wheelchairs for which there is no charge.

It was decided to raffle a grocery hamper in conjunction with a penny auction to be held on March 9th in the town hall. All Rebekahs and Oddfellows are asked to contribute two grocery items to the hamper and two penny auction prizes. These may be taken to Mrs. Harris' or Bill Jones' home in Terrace Bay or Mrs. Hamilton's home in Schreiber, or brought to the regular meetings of either Lodge.

ROSSPORT CURLING CLUB MEETING

A special meeting of the Rosspport Curling Club was held in the club room with eleven members present Sunday evening.

Brian Ray presided and the minutes were approved as read and the financial statement presented showed that the club was much in need of funds. Ways and means were discussed on how to

raise funds. It was agreed that bingos and draws were the most suitable for this purpose. It was agreed that Chas. Todesco and Brian Ray would make inquiries regarding the hiring of some local man to complete putting on the plywood at the rink.

It was noted that the foundation hadn't been repaired on the north end of the building and that the toilets required attention. Volunteers were asked to assist in moving a barrel of oil to a better location at the rink.

It was decided to run off an opening bonspiel to start the curling rolling this season. That each team is to pick his own players for this event but that the players for round robin series of games would be drawn. The secretary was instructed to post notices for same.

It was noted the improvements of the seat backs in the observation room by some of the ladies making covers for them. It is hoped that other members will also assist in covering the remaining seat backs. It was suggested that new material need not be used for this purpose but could be made from old coats, skirts, trousers, etc.

Following a discussion on heating the rink, the meeting adjourned.
