## Minimum Wage - cont'd .....

He said the policy of the Ontario Government has been to promote more equitable distribution of wages for work performed. For example, he noted that Ontario was the first province to actively promote equal pay for equal work.

He said the purpose of the minimum wage is to ensure the highest possible wage rate for low-paid workers while at the same time preventing unemployment among workers due to high labour costs.

## HAMILTON STUDENTS VISIT TERRACE BAY

This year, as a class project the grade 8 class of the Public School has arranged an exchange with a class from the city of Hamilton.

The Hamilton students will visit us here in Terrace Bay during the Winter Carnival and the students from Terrace Bay will visit Hamilton during the month of June.

The students of Chedoke Public School, Hamilton, will arrive in Terrace Bay on the morning of February 15th and stay until Sunday, February 18th.

We are planning to visit the Kimberly-Clark Mill and the Hydro station on the 15th. On Friday, the 16th both classes will travel to Thunder Bay to view the elevators, shipyards, etc. Also on the way up, visits will be made to the plywood mill in Nipigon and the Ontario Fish Hatchery in Dorion.

Saturday has been set aside as a free day to participate in the Carnival activities. Sunday morning they will return home and we hope their stay will be an enjoyable experience.
