

Police Dog - cont'd .....

Constable Outhouse and Chuk were there for fourteen weeks for basic training. Chuk was taught to jump through windows, over barriers, etc. After the training Chuk was able to track down suspects or find lost children, control crowds or sniff out marijuana or hashish.

Constable Outhouse then gave an exhibition of Chuk in action. After jumping several barriers Chuk jumped through a hoop of fire.

The students were very impressed with Chuk and thanked Constable Outhouse.
