ST. BERCHMAN'S ALTAR SOCIETY MEETING

Operation "New Organ" was decided by the members of the Altar Society as a project for this year's activities. It will top the list of activities as a priority concern. The president announced that the church organ was repaired but was advised that it could not last much longer and being of a

very old type that it was almost impossible to obtain parts for it. Often the repair man has to try to make a working part for it.

Mrs. Eugene Gerow called the meeting to order and led in the opening and closing prayers and welcomed all who attended. Mrs. Herb Legault read the minutes and correspondance. Mrs. C. Todesco presented the financial statement and bills.

After a lengthy discussion, the members decided after hearing the repairman's report on the condition of the church organ, it was decided to start as soon as possible to raise funds to purchase a new one. And certainly any donations towards this fund if anyone desired to contribute for this worthy cause would be accepted.

Reports were heard on the church cleaning and favourable comments were heard on the good condition the church is kept. The report on letters written for Penny Auction prizes were heard. The treasurer was instructed to purchase a number of articles at a sale to be used for the Penny Auction.

Several pieces of sewing and fancy work were reported finished for the sale. Members discussed the Terrace Bay Hospital membership drive, also the Auxiliary drive and were urged to contribute if possible. The secretary was advised to obtain some more material for sewing purposes. It was decided to wear a homemade St. Patrick's Day corsage and bring an Irish story or poem to the March meeting program. Following adjournment the hostess Mrs. Schelling served luncheon and an enjoyable social hour was had. Mrs. Gerow invited the members to her home for the March meeting.
