LAKEHEAD UNIVERSITY IS OPEN TO YOU!

We know you can benefit from our courses. Continuing Education is the key to your future. We at Lakehead University cater to the professional and the amateur, to the person who needs a university education, and to the person who is dissatisfied with life but is not sure why!

To stimulate your interest, we have introduced the new General Programme which offers all comers a degree. With some very small restrictions, fifteen courses will give you a degree More! There are no entrance examinations. All you have to do is register, (and, by Provincial regulations pay \$145.00 - sorry). You study, write the essays and examinations and receive a full credit.

"LAKEHEAD is the only university that truly understands Northwestern Ontario."

Contact your representative: Mrs. Shirley Angus
Box 454
Terrace Bay, Ont.
Phone 825-3868

OR phone us at (807) 345-2121 and leave your name. (If you want to speak to the Director, call (807) 345-7011. If he isn't away visiting a community, he will be delighted to chat with you), OR, of course, write to us in Thunder Bay.

SUMMER COURSES

We need eight students for the first course, and ten for each subsequent course. We cannot absolutely guarantee to satisfy you, because university instructors are hard to come by, but we will do our very best. As a starter, discuss with your representative TODAY what you would like. We shall ask for \$25.00 deposit by March 31 - so that we can be sure!

Remember - Lakehead is THE OPEN UNIVERSITY
