

Reverend Father Cano and Reverend Father Bourignon who are members of a catechetical team from Thunder Bay were guests at Holy Angels School. They conducted a catechetical program for the teacher's and parents. The theme of the program centered around our role as the spiritual leaders of our children. A most inspiring part of the evening was a Bible Service on "Light" conducted by the two Priests.

The grade eight students of Holy Angels School are presently working on various projects in order to raise money for a trip to Thunder Bay. Their latest endeavour was a bake sale which turned out to be a big success. Two of the side events at the bake sale were guessing the number of bubble gum in the jar and target practise.

Mrs. Forgues who is a guidance counsellor for Schreiber-Terrace Bay High School campus visited the grade eight class to explain the courses of study available to them when entering high school.
