Ontario Municipal Recreation Association - Northwestern Ontario Conference:

The Ontario Municipal Recreation Association, in conjunction with other agencies such as Youth and Recreation Branch, Confederation College, etc., will be sponsoring a Northwestern Ontario conference in Thunder Bay on April 6th, 7th and 8th.

This is the first conference to be held for all Northwestern Ontario and it is hoped that people who are genuinely concerned with Recreation in Northwestern Ontario will make an attempt to attend. There will be representation from the Provincial Government at this conference as well as other guest speakers from the Youth and Recreation Branch and the Department of Education. It appears that some form of subsidization will be offered; however, at this point it has not yet been determined.

If you are interested in finding out more about this Recreation Conference, contact the Recreation Office at 3542.

Bay Intermediates were to meet Heron Bay on Monday evening, March 19th. A win on that evening would put Terrace Bay into a final play-off with Manitowadge to determine the winner of the Nor-Shore Intermediate Hockey League. All hockey fans should keep their eye open for posters to be displayed at the Recreation Centre and the business section outlining times and dates of games. Why not give our Intermediates some support by attending home games?

Take Advantage of Public Skating Sessions:

Within the next two or three weeks, the arena ice will be taken out for the season so you should take advantage of the open public skating sessions from now until the end of the ice skating season. Be sure to refer to the arena schedule for public skating, and if in doubt, call the Recreation Office.
