SUPERIORS HOCKEY NEWS

The players and executive of the Terrace Bay Superiors wish to thank their many friends and fans who have given us their support.

As a new hockey club we have been faced with many difficulties which, with much help from countless people, we have been able to overcome. Special thanks to Miss Debbie Vienneau, Mr. Bruce Scott and the Minor Hockey Association and Mr. Ron Lang and the Terrace Bay Raiders.

With a year's experience behind us, we are looking forward to a much better season next year. Your continued support will go a long way towards making it a success. Please endeavour to help us also during the next few months with our fund raising projects. This is an essential part of icing a team.

The Terrace Bay Superiors also wish to take this opportunity to extend their congratulations to the Schreiber North Stars and the Schreiber Midgets for winning their respective league divisions. Best of luck to both these teams as they take on their next opponents.

Once again, thanks to all for supporting us this year. Support Terrace Bay hockey.

The Players and Executive,  
Terrace Bay Superiors.
