

Wood Carving - cont'd

will be held in Thunder Bay on April 27th, 28th and 29th. Course fee would be \$10.00 per participant and the course instructor will be Rebecca Sissler. If you require more information on this workshop, call the Recreation Office at 3542.

Arena Activities End This Sunday:

All activities scheduled in the arena will end this coming Sunday, April 8th, at 8:30 p.m. Be sure to refer to the arena schedule for the remaining open public skating sessions.

Curling Activities to End April 13th:

All activities in the Curling rink will end on Friday, April 13th, as all playoffs and league games will be completed by that date.

Fund-Raising Hockey Game This Friday:

This coming Friday, April 6th, a fund-raising hockey game for the McCausland Hospital will be held between the Terrace Bay Intermediates and the Terrace Bay Juniors starting at 8:30 p.m.

This will be your last opportunity to watch competitive hockey in the Terrace Bay arena this season. Why not plan to attend the game and at the same time assist the McCausland Hospital.

Application Forms Available for "Youth in Action" Programmes:

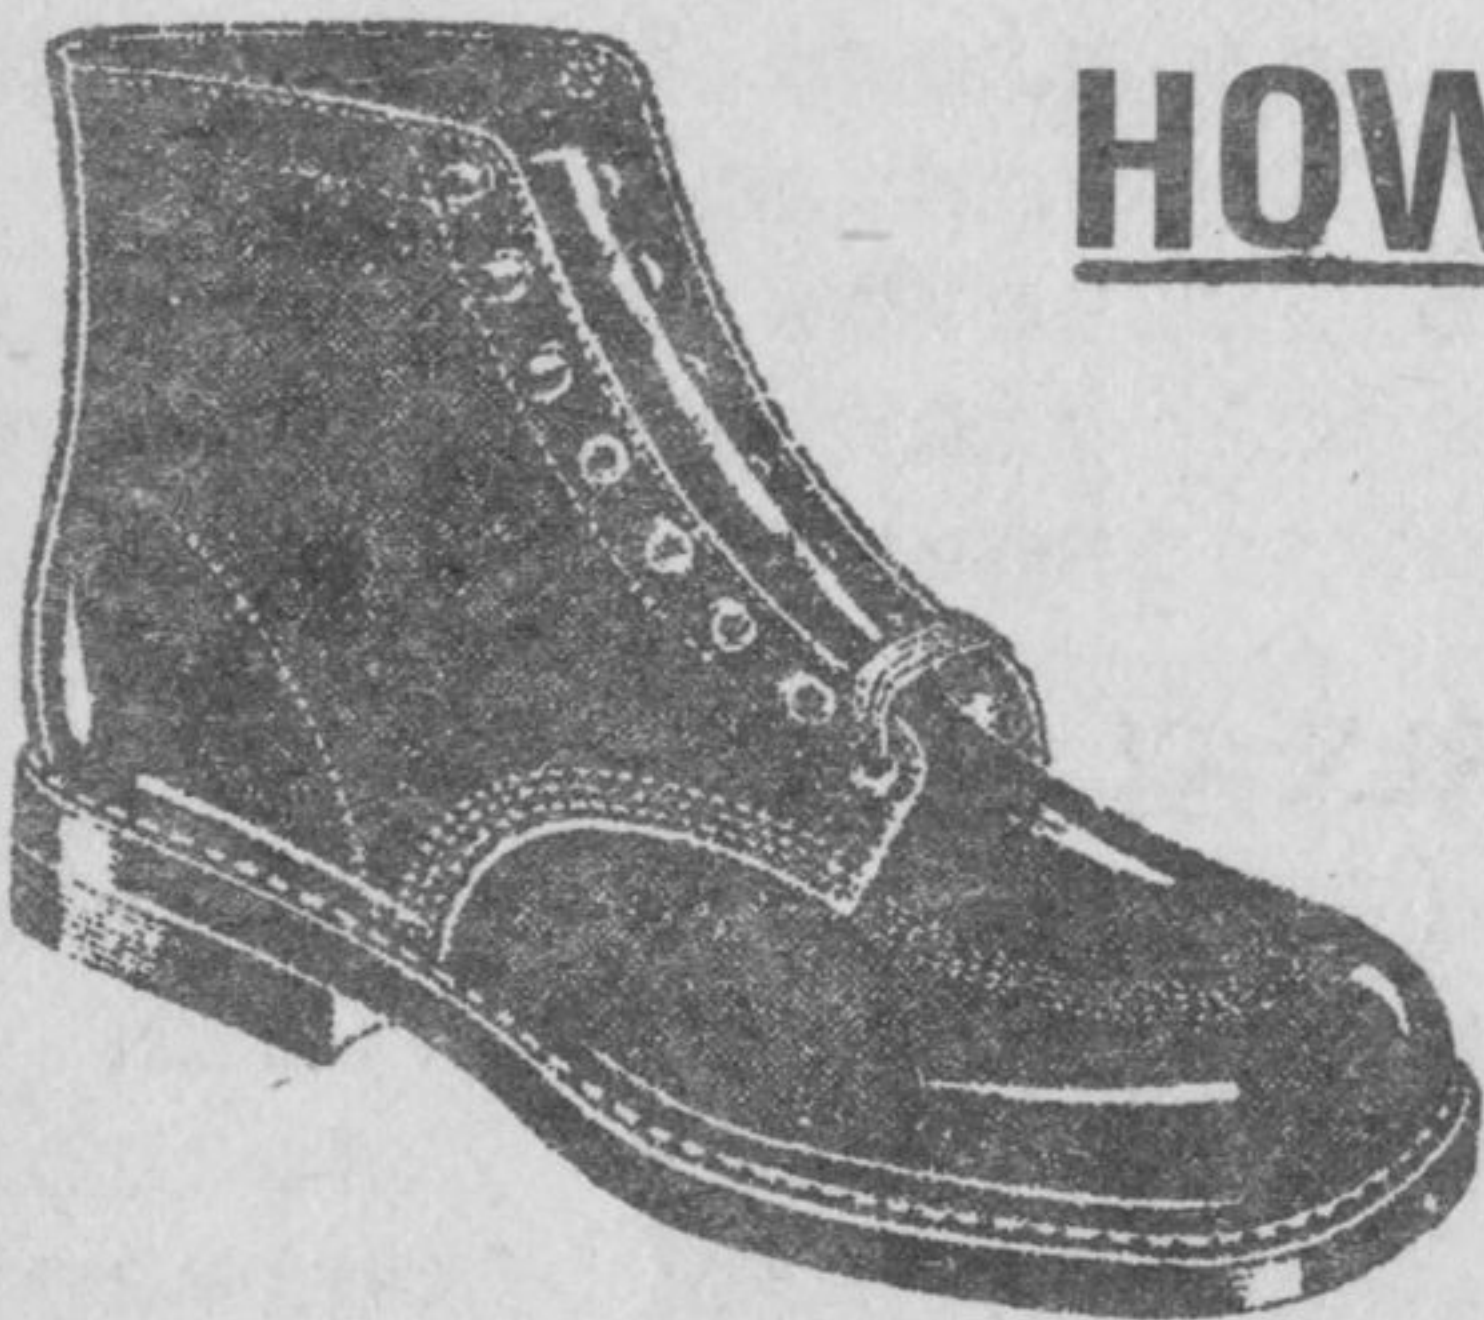

The Recreation Office has received information from the Sports and Recreation Branch regarding "Youth in Action" programmes for 1973.

The summer projects, cost-shared with the Sports and Recreation branch, are designed for community action, with a view to continuing after the summer.

It is expected that the projects will include such things as: extension of existing Recreation services; summer community use of school projects; special services to individuals and groups who heretofore have received the minimal or no services and other useful community projects.

Anyone interesting in making application for a summer project and creating
