

It Caught My Eye - cont'd

cialist, says high temperatures this
ing have created early budding on
maple trees and the sap will not re-
rn to the roots unless there is a fr-
t at night. There hasn't been much
st at night in this area. Humphreys
s, however, that if you own a bunch of
ole trees in Northern Ontario, your
ole syrup crop should be good. It's
sty most nights up north, apparently.
Some people never grow old. Like
ry Lewis, of San Francisco. He's
and doesn't feel old enough to re-
re. He tried it Jan. 22, retiring
a waiter at the St. Francis Hotel,
ere he started in 1906. But he went
ck to work a couple of weeks ago, as
viser to an employment agency that
ovides temporary help. He keeps fit
running six miles a day

Actress Sophia Loren, who had her
cond child by Caesarian section not
ng ago, says "never again". It was
r second Caesarian. Doctors kept her
seclusion for four months before
ving birth, because of her history
miscarriages. She says she "went
rough hell" having the second child.
t's like having major surgery with
ur eyes open", she says. "Once,
s. Twice, well ... But a third time?
ver. I'm too afraid ..."

A London psychiatrist has come to
is conclusion, when describing a
sinessman who is about to clinch a
al: "He has the emotions of a cannib-
l and faces the threat of nervous
arrhea, chronic insomnia and stomach
tterflies." According to the doctor,
modern businessman is not preparing
fight the competitor, kill him and
t him, but the lower centres of his
ain act as if they are. "He feels as
f he is chasing his prey, or being
ased, hence chronic insomnia, vague
eelings of anxiety, nervous diarrhea
d even the pain of peptic ulceration"

Miss Alice Stuart of 224 McDonald
venue, Terrace Bay is this weeks win-
er of the Gulf Oil, Birch Motors of
chreiber, 25 gallon gasoline draw.
