

WOMEN OF THE MOOSE CHAPTER 1426

A nominating committee to be chaired by Alice Yates was chosen at the Chapter night meeting held recently.

Anne Stachiw, Marjorie Goodmurphy and Sadie Benko will be attending the Academy of Friendship sessions to be held on Sunday May 6th at Duluth, where they will receive their Academy of Friendship degree.

Minutes and the treasurer's report were adopted as read by Stella Sadowick. Thank you cards were read from the Canadian Cancer Society, the Rene Hirt Family and the Atikokan Chapter of the Women of the Moose.

Approval was given to have a commercial dishwasher installed with the Chapter agreeing to pay half towards the cost of same.

The ladies will cater for the Curling Wind-up banquet to be held on May 11th.

Following adjournment, a lovely lunch was served. Pot of Gold was won by Clara Gould. Members are reminded to bring items for the penny auction which is to be held on April 29th, to the next meeting on April 18th.

BINGO WINNER

The grade 8 class of the Public School would like to announce that Lee McKie was the winner of the home bingo. We would like to thank all those, especially the non-bingo players, for supporting us in this fund-raising venture.

In the very near future leaflets will be distributed in your neighbourhood including the names and phone numbers of pupils who are willing to do clean-up work in your yards and basements.

Once again, thanks for your support in all our ventures.

DR. JOHN HASTINGS MEETS WITH BOARD

Dr. John Hastings and Dr. J. C. Baldwin met with the Board of Governors on Tuesday, April 3. Dr. Baldwin has recently been appointed as Area Co-ordinator of District Health Councils.

Dr. Hastings was appointed some time ago, by the Ministry of Health, to set up a committee and carry out a study on Community Health Centres throughout the world. This report was completed and presented for study in the past year.

The Community Health Centre concept has

been presented with the idea of giving the public a wider range of health services than those provided by the ordinary hospital - in other words giving better value for money spent. The emphasis is on total care of the individual and deals with drug and alcohol problems, family situations requiring counselling, welfare and on preparing the patient to carry on his treatment in the home when possible.

Our present hospital facility is nearing the end of its usefulness and it was felt the doctors were sympathetic to the fact that, because of distance and weather conditions, we needed some beds in whatever new facility we have for our area in the future.

With this background of information which we now have from the Ministry of Health, we feel we have reached the point where we can list our area's needs and priorities, and present them for the Ministry's consideration.

HOSPITAL BULLETIN

Public Relations Committee

ANNOUNCEMENT

The Dobush family was saddened by the recent death of companion and prize winning collie "Tawny Lass" when she was hit and killed by a passing train.

- Sadly missed by many friends and admirers.
