

GIRL GUIDES OF CANADA

Superior Division, Girl Guides of Canada, held their first meeting of the year in the Catholic Parish Hall in Schreiber, with members of all six districts attending. Mrs. Howarth, Division Commissioner, who presided, welcomed the members and introduced each District Commission.

She then presented the executive: Ollive Ross, Camp Adviser, June Gardner, International Adviser, Tina Wilson, Program chairman and Shirley Caron, secretary.

Camping presentations were made to Glenna Clearwater and Ollive Ross. Mrs. Howarth explained that this area, formerly known as Lakeland Area will now be called "The Voyageur - Covering from the Manitoba boundary as far east as Sault Ste Marie, with Kenora now known as The Laverendrye District.

Ollive Ross gave her report on camping and stated those wishing to camp should apply early in the year, priority of necessity given to early applicants.

Trainers are still needed for this Division and anyone interested should contact Mrs. Howarth.

Fees have increased this year, \$1.00 per member, and due to poor communications between Province, area and division this association still owes the Province \$600.00. Norma Johnson's suggestion that each district plan their own way to make up the difference was accepted.

The Provincial Annual meeting will be held in Toronto in early May and Mrs. Howarth was elected to attend.

A Sharing and Learning session was planned to be held in Red Rock in late May along with the next Division meeting -- these meetings being held twice a year.

Marilyn Sarampaa volunteered to handle the Division Letter, sent out quarterly for all districts. Leaders wishing to submit names for this must send them in to Marilyn no later than April 30.

Because of the great demand for P. L. training a class will be held in Terrace Bay in September - date to be announced later.

The Senior Guide Rally was also planned for September in Terrace Bay.

A motion of appreciation was made to the White Sand District who hosted the most successful meeting.

The meeting, attended by 31, ended with a dinner in the Restaurant LeBlanc.
