trails and hikes that can be found almost on our own doorstep, and he kindly volunteered to conduct a tour with the help of the Leaders for the Girls in Rainbow Park later on.

During the same evening, the Terrace Bay Guides were happy to have Mrs. Mary Shack, District Commissioner for White Sand, two visitors, one of whom is interested in becoming a Guide Leader in Schreiber, Mesdames Elsie Wills and Teresa Stortini, also Brownies who were visiting a Guide Company for one of their tests from the 2nd pack. Mrs. Wills and Mrs. Stortini are hoping again to visit the Terrace Bay company before the end of the season to participate and get acquainted with the routine of Guiding.

Mr. Charles Wise kindly offered to run the projector to show a film to the Guides on April 24th. Mrs. Rita Allen an executive member of the Mentally Retarded Association was invited along to answer questions pertaining to the film and the Mentally Retarded.

CARAVAN TO VISIT SCHOOLS

The Confederation College Caravan will be visiting the Terrace Bay Public School on May 7th, the Terrace Bay High School on May 8th, and St. Martin's Separate School on May 9th.

The facilities in the Caravan include electronic equipment, video tape recorder, coloured slide presentation, a display of college equipment, as well as brochures, bulletins, calendars, and information concerning the college and its programs.

The public is cordially invited to inspect the College Caravan, to avail themselves of the information concerning Confederation College programs, and to speak to a qualified counselor on Post-Secondary education, as well as the Retraining and Extension Divisions.

MINISTRY OF EDUCATION SEEKING OPINIONS

"What is the best kind of educational experience that we can provide for our young adolescents in Ontario now and in the days to come?" This is a question of deep concern to

the Ministry of Education, and to find the answer it is seeking opinions across the province, from professional educators and citizens in general, before any drastic changes are made.

It is possible that the present programs are completely satisfactory in what they offer to the I2-I6 age group who are in Grades 7 to I0. On the other hand, some or much of what is being done may be of dubious value. Certainly, the young adolescent years are critical in the development of future citizens and this is the reason for the strong focus on the Intermediate Curriculum Review ordered by the Minister. Submissions began even before the official opening date of January, I973.

If you, as a parent, educator, student, or concerned citizen, have strong convictions about the manner in which young people should gain their educational experience, the Ministry would like to hear from you. Every submission or letter will be acknowledged, and the ideas noted. Sit down for a few minutes and put your ideas on paper, then mail them to: The Intermediate Review Committee, Ministry of Education, Ontario, 303 News Chronicle Bldg., Thunder Bay P, Ontario. Medical Centre - cont'd from page I

One important factor is that the town has land available on Alberta Street, deeded to the Township by the C.P.R. many years ago for medical purposes.

This project would be a direct benefit to the town, serving all ages, and, in effect, a minor industry, with revenue accruing from rentals, and would in no way conflict with Schreiber's support of the McCausland General Hospital, as it is simply a consolidation of services required within this town.

Comments from the group attending indicated their feeling that a doctor would be attracted to a town with a medical centre and that to
