ST. MARTIN'S SCHOOL WALK-A-THON 1973

Although the day of the Walk-a-thon was cold and misty, 153 persons turned up to walk the twenty-mile route. Among these were the youngest registered walkers, Penny Luke and Lise Beaulieu, both Grade One pupils at St. Martin's

Check points were set up at two-mile intervals between Terrace Bay and Schreiber, and a lunch of sandwiches, hot chocolate, freshie and cookies was served at Holy Angels' School in Schreiber to give spirit to the walkers at the half-way point.

Of the 153 people who started, 99 completed the full twenty miles. The three most energetic walkers were Mike Fournier, John Bouchard and Rick Sitko who were the first three to complete the twenty miles.

Congratulations and special thanks are extended to Mrs. Lorraine Desaulniers who was sponsored for approximately \$7.00 per mile. (She walked the full twenty miles and was the all-time top money-maker for the four years that this Walk-a-thon has been held!)

The Grade Eight Class of St. Martin's School would like to thank all of you who walked or who helped in any way to make this Annual Walk-a-thon the huge success it was.
