### ONTARIO HYDRO APPROVES NEW SCHREIBER RATES

Schreiber Hydro Chairman Gino Caccamo today announced that Ontario Hydro has approved a new rate schedule for utility customers.

The new rates, which will be effective on all bills issued on or after July 1, 1973, provide for an average increase of 11.8%.

Mr. Caccamo said that as he had indicated earlier in May, continuing inflation and the increasing cost of power purchased from Ontario Hydro had made the rate change necessary.

"These adjustments", he added, "will enable us to maintain a reasonable financial position in the current year and provide for the growing electrical needs of the community."

Customers will be billed at the new rates for energy taken starting in June 1973.

The minimum bill will now be \$3.50 instead of \$2.50

The Toast to the Queen was given by Mrs. Georgina Davis, immediate past president, with Jean Crook, vice president saying Grace.

Mrs. Jeannette Gunter, Terrace Bay presi-

dent, presented an amusing kitchen maid gift in token of their good wishes.

Mrs. Paxson enlarged on the necessity for aid to Caribbean War Veterans, saying she was pleased Schreiber had donated. She also said that although rules stated one visit during two years would suffice for a representative to the various auxiliaries she felt more frequent ones would be a great advantage.

Mrs. McLaughlin thanked the members for their support.

Mrs. Beth Macadam proudly announced a showing of summer millinery which, designed by the models who wore them, wear, if not the latest in hats, certainly were 'far-out'! The models roundly applauded were Pat Moore, Jean Crook, Gail Welbourne, Gerry McColeman and Georgina Davis.

Among the 25 Terrace Bay guests were Jeanette Gunter, president; Stella Gusul, first vice present; Dot Coupal, past president and Joyce Mercier, warden.

The evening ended with a cabaret party when their escorts joined the ladies.
