PROVINCIAL PARKS ENTRANCE PERMIT REQUIREMENTS

Recently, a number of changes have been implemented into our Provincial Parks.

Canadian Senior Citizens wishing to enter our Parks for day use or overnight camping may do so without paying any fees. Senior Citizens driving vehicles and accompanied by youths under 18 years of age are also allowed free access to Park facilities. When persons 18 years of age or over are travelling with a senior citizen, the party must pay the appropriate fees, whether for day use or overnight camping.

Canadian residents and visitors from other countries pay fees for utilizing our Parks. Day Use Permits are available at \$1.50 per day for persons wishing to use our picnicking facilities. These permits are valid until 11:00 p.m. on the date of issue. Annual vehicle permits, which cost \$15.00, allow the vehicle and its occupants into the day use facilities for the entire season. This permit does not allow the persons to enter and occupy a campsite area at any time.

People wishing to camp must obtain a Vehicle and Campsite Permit which is \$3.50 per day for regular campsites and \$4.00 for campsites with electrical outlets. This permit is valid until 2:00 p.m. on the date shown on the permit and

may be used in other Provincial Parks until the expiry time.

There are no seasonal Campsite Permits available in the Province of Ontario.
