

**CANADA WEEK SUCCESSFUL IN TERRACE BAY**

Once again Terrace Bay was fortunate in having a well organized committee to plan another successful Canada Week Program. Some may even say this was the best program ever - especially with the beer garden being so well attended.

Reeve Roy Bray presents "Reeve's Trophy" for cycling event - this to become an annual event and trophy.

Dances were held, races and costumes judged for the children, a cycling event, treats, ecumenical service and beer garden - truly something for everyone.

We are sincerely thankful to Mrs. Roger Beaulieu for supplying us with a few photos.

Again it must be said the Canada Day Committee, individuals and organizations did a fine job.

Some of the people who attended the beer garden.

The Firemen bartenders at the beer garden.
