PLAYGROUND NEWS:

The sun finally came out in time for opening day of Summer Playground '73 and by Friday it was overcast but the various special events for the week in each age group were still carried out.

The 5 and 6 year olds went down to Kimberly-Clark beach Friday morning for a marshmallow roast where Kevin Seidel astounded the group with his "black five marshmallow special". While they were there, the 5 and 6's found a note in a bottle telling them of a treasure chest buried on the beach by Captain Kidd. The treasure, a chest full of chocolate bars, left the children with the impression that all pirates aren't all bad.

That evening, the 7-9 year old boys and girls headed down to the beach for supper. After all had eaten their share of weiners and marshmallows, a candy scramble was held to end off the supper before heading back for home.

A successful bowling tournament for boys and girls 10-12 years of age was also held Thursday night, with the following results: Winning Team - Michelle Luke, Patty Regis, Tracey Stachiw, Lita MacDonald. High Score - Tracey Stachiw; low score - Mary Beth Pluta, hidden number - Tommy Fournier.

Nominations and elections for a Playground Council made up of two 10-12 year old boys and two 10-12 year old girls, was held Friday night before the bowling tournament, with the following people elected: Lucien Theriault, Bruce Lang, Leslie McBride and Patty Regis. The purpose of this council is to represent the rest of the Playground and help plan activities.

The Scavenger Hunt, held Thursday evening, was a big success due to the "junk" contributions received from the houses canvassed. Winning scavengers were Patty Regis, Natalie Kostiuik and Bruce Bickerton. If any person has any junk they feel the Playground might be able to use, please get in touch with Donna Chapman or bring it down to the curling lounge during the mornings or evenings.

ATHLETIC FIELD OPEN MEETING:

A special meeting open to the public has been scheduled for Thursday, July 12th, at 6:30 p.m. in the large meeting room of the Recreation Centre. The meeting is designed primarily to set up a working committee to coordinate the remaining work that must be done at the athletic field. It is hopeful that a number of adults and youth will plan to attend this meeting.

MEN'S BASKETBALL:

Basketball will start on Sunday night for persons over 18 years of age at the Terrace Bay High School. If sufficient interest, basketball will be held twice a week. If you are interested, turn out at 7:30 p.m. at the High School auditorium.

LACROSSE:

Anyone interested in playing Lacrosse this summer should submit their names to Pat Smith at the Recreation Office.
