LADIES GOLF NEWS

Tuesday, July 10th was another good turnout for our twilight with three complete flights participating. Low net going to J. Megraw and J. Gunter; runner-up P. Wellings and H. Laybourne; low hole L. McLeod and high hole D. Clancy.

Our tournament chairman has promised novelty twilights for some future evenings, so come

on gals keep up the good attendance and have some fun. I for one would like to see Peg tee off with her putter, but with my luck I will most likely have the honors. But for someone who is famous for leaving herself open to long putts, maybe this might be one way of making a hole in one.

The new Beginners Pool has been available to the public since Wednesday, July 8th. This brand new facility is assisting in the instructional programme at the pool as well as offering swimming to the younger kids who are not tall enough to use the large 25 metre pool.

If you are not members of the Swim Pool Association, admission to the Beginners Pool is .35¢ for children and students and .75¢ for adults.

ATHLETIC FIELD DEVELOPMENT-YOUR HELP NEEDED!

Starting this week, a number of people will be volunteering their time to assist in the development of a ball field at the Athletic Field. It is hoped that by sometime next week the back stop will be installed, the bleachers moved and the diamond staked out to allow us to transfer our Minor Ball programme from the Separate School field to the Athletic Field.

Once the ball field is installed, work will then concentrate on improving all other areas of the field. If you have an hour per week to assist us in this development, please call us at 3542. After all, when this facility is completed, it will be available for YOUR use.
