HOLY ANGELS HAPPENINGS

THOUGHT: Each moment is so precious and it is ours to live to it's fullest capacity.

The grade eight students of Holy Angels school put a great deal of time and effort into projects this year in order to raise money for their trip to Thunder Bay. The following pictures tell their story of a trip full of fun and many experiences.

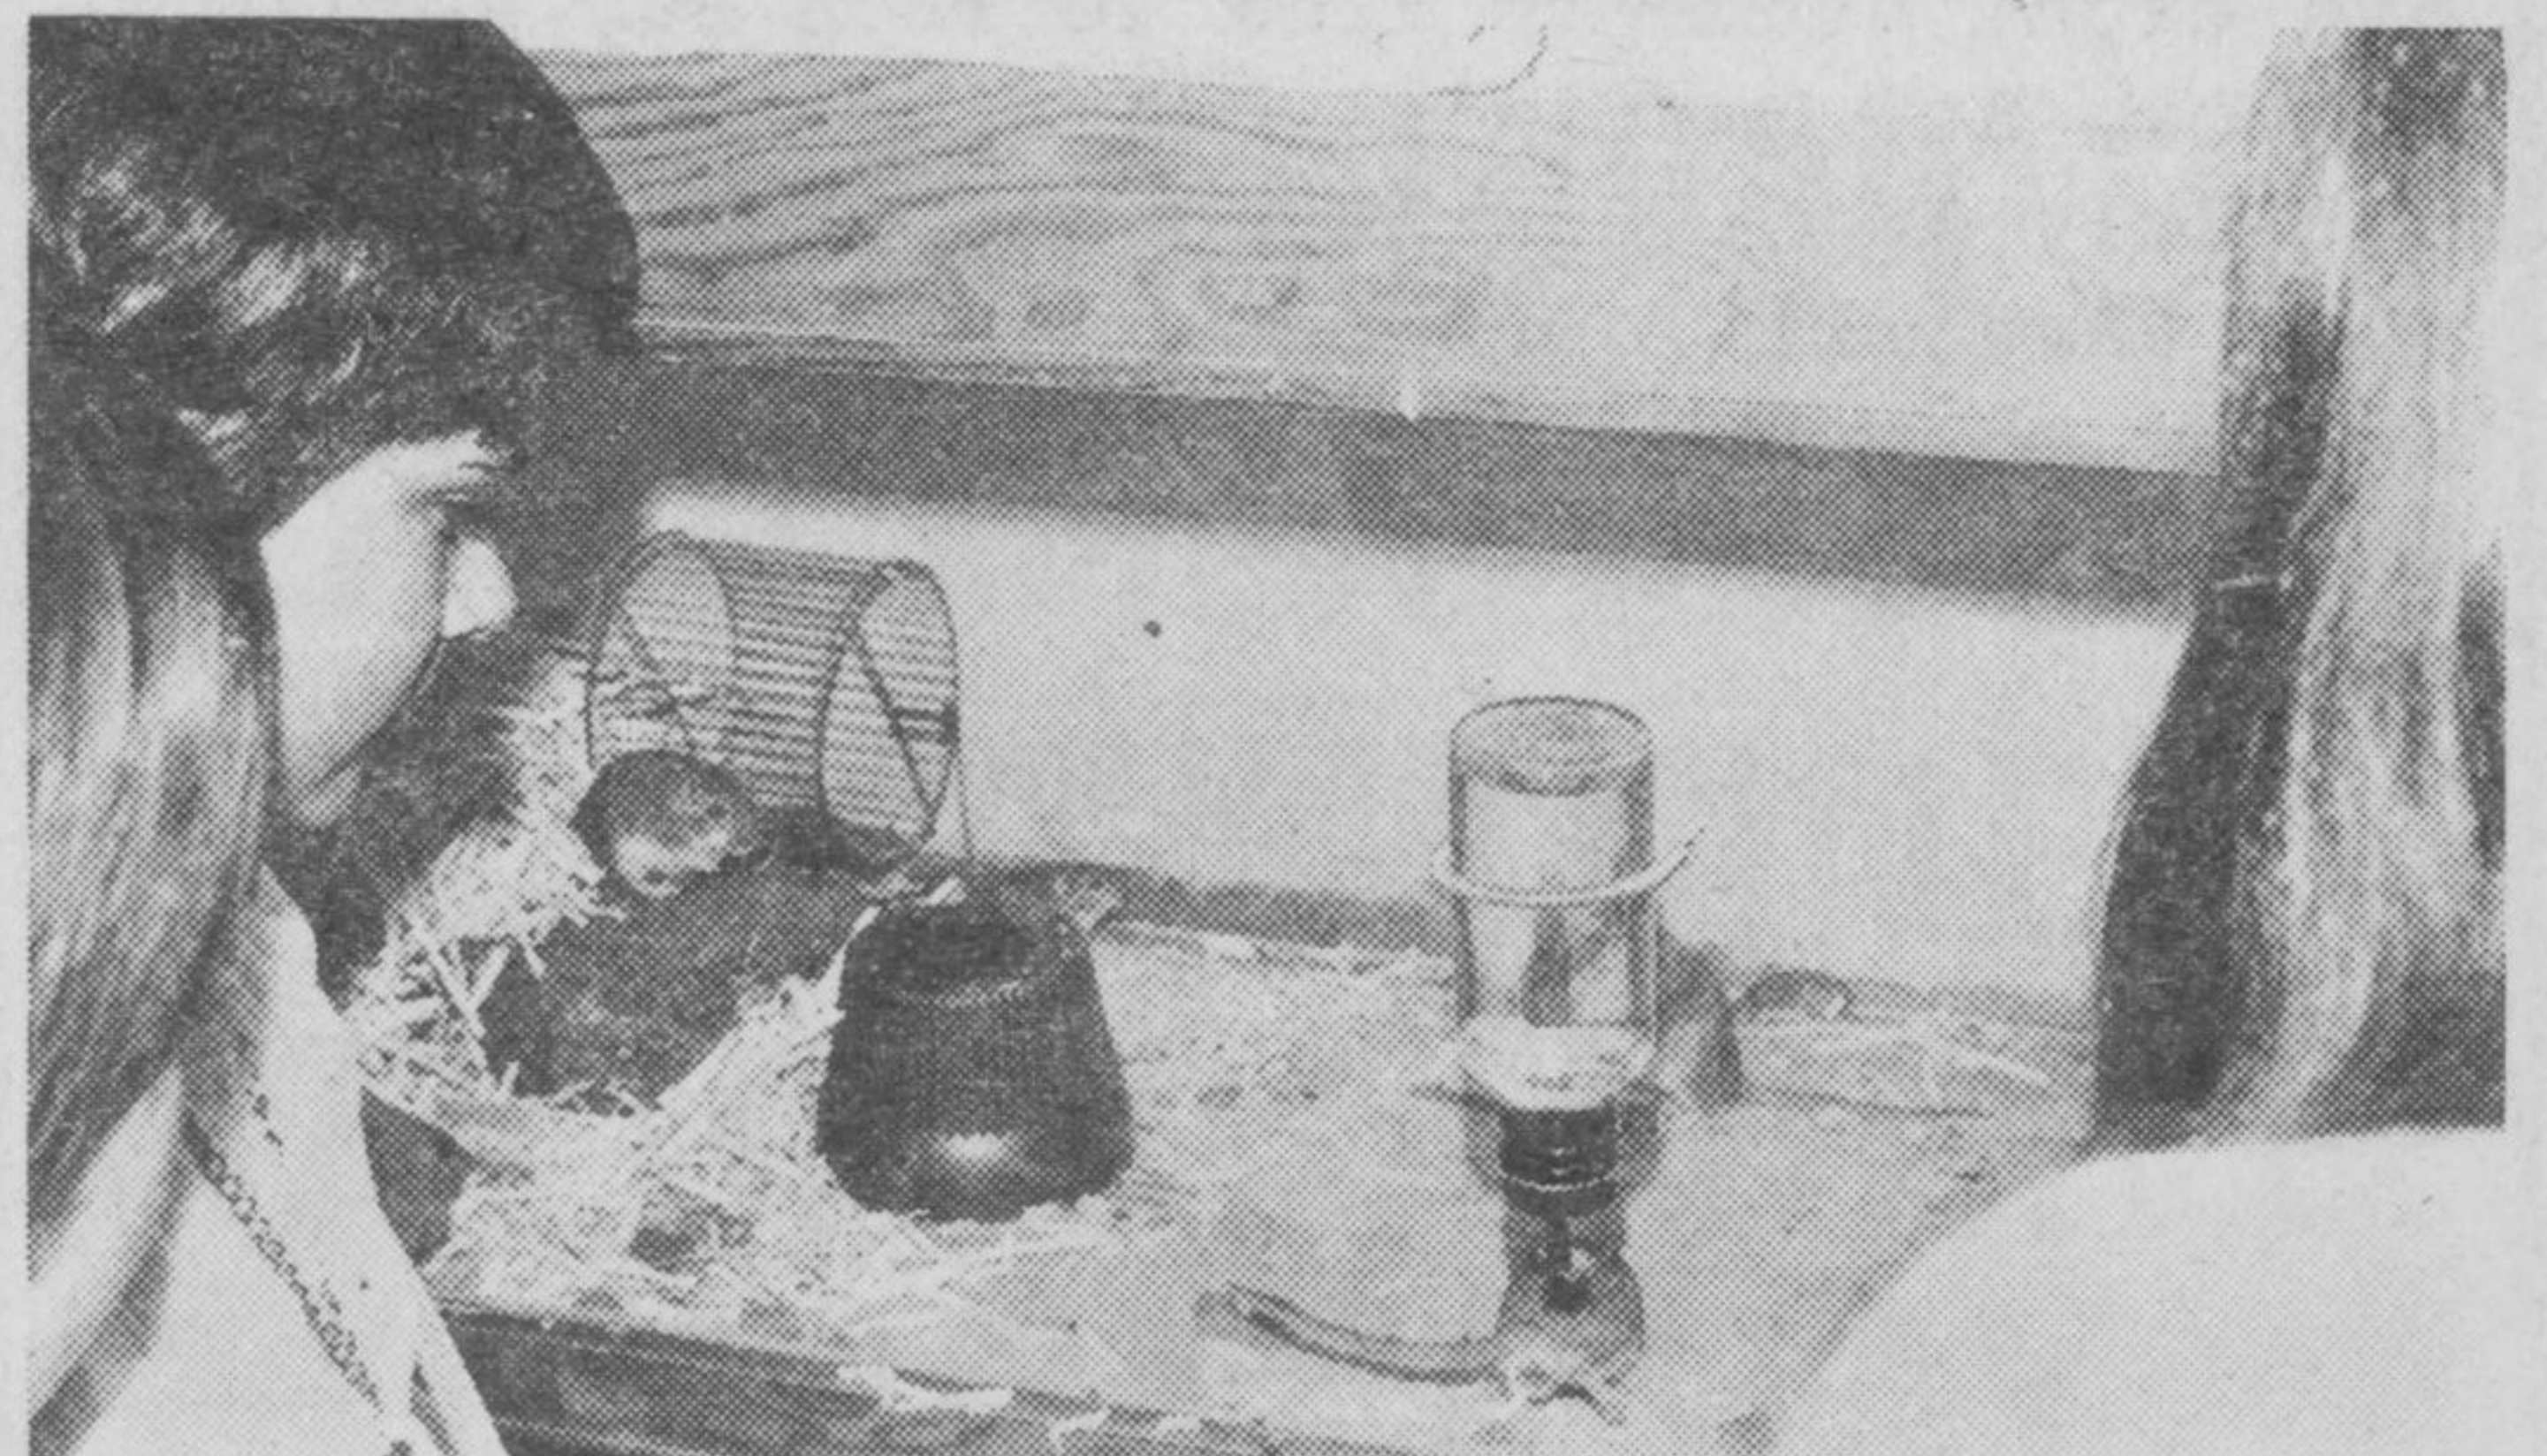

A tour of the water pollution plant

A fascinating look at the biology department

Well, rats were never my favourite pet but they are a necessity in the psychology department where extensive experimentation is carried on
