

Anyone for a freshly blown bottle? In the chemistry department at Lakehead University the students see a demonstration of the "glass blowing" technique.

And of course this area could never be bypassed; the students have their first experience with cafeteria style meals.

Competition was fantastic when grade seven and eight students from Terrace Bay Public School, St. Martin's; Schreiber Public School and Holy Angels gathered together for the annual Baseball Tournament.

The champs of the day were Holy Angels girls and Schreiber Public School boys.
