POOR CONDUCT OF LOCAL PEOPLE AT SWIM POOL:

Recently the conduct of local people making use of the Terrace Bay swim pool has been deplorable. Some local swimmers are guilty of

swearing at the swim pool staff, fighting in the washrooms, not obeying pool staff and plugging up toilets intentionally.

All swimmers taking lessons at the pool have been informed of future action that will be taken with swimmers misusing our facility. Effective July 23rd, any incidents of horse-play, swearing, etc., will be reported to the respective parents and a decision made accordingly.

Many swimmers are in fact making use of our pool properly by following rules that are laid down by provincial legislation as well as the local department. This is appreciated.
