You should never have to repeat yourself.

Think about the hours lost in your operation simply by people trying to talk to one another: manager to foreman, to worker, and back. Now consider the COURIER TRAVELLER II, the world's smallest C.B. radio, that gives you more for your money* than any comparable unit: solid state dependability; no warm-up; 23 channels; plug-in mike; P.A. capability; automatic noise blanker; noise limiter; exclusive safety circuit. **Plus a three-year warranty.**

With TRAVELLER II, instructions get issued, questions get answered, work is accomplished faster. And when the work gets done faster, the more profitable your business is going to be. Think about it. Then give us a call.
