Trustee R.P. Ungar introduced the topic of term insurance for teachers, stating that it appears there is discrimination shown against certain teachers because of sex. This matter will receive the attention of the Board.

Trustee F.E. Sechesky introduced the topic of tenders for painting. It was agreed that tenders should be called for scheduled painting annually. For smaller painting jobs incidental to repairs and alterations, it may not be justified to call tenders.

HOSPITAL BOARD MEETING

The McCausland Hospital Board held a regular monthly meeting on July 17, 1973. The minutes of the last meeting of the Development Committee were read by Mrs. D. Rummery. V. Mazzone read recent correspondence from Wilson Memorial Hospital in Marathon regarding a proposed district health council. Pinewood Court will review the request for a written commitment regarding heat at their next Board meeting.

Correspondence from CHIMO regarding the hospital by-laws was read. A resolution was passed to amend the by-laws by deleting Part I, Section 3 (3) (a) which states "No person may be elected or appointed a Governor after reaching the age of seventy (70) years." This amendment must now be forwarded to the Ministry of Health for approval. If approved, it will then be added to the agenda of the Annual Meeting for confirmation by the members of the Hospital Corporation.

Accounts payable for June in the amount of \$23,042.65 were passed for payment.

Dr. Adey reported that the Credentials Committee had reviewed the application of Dr. Spacek and their report was read to the Board. A resolution was passed to appoint Dr. Spacek to the Medical Staff with specific privileges as recommended by the Credentials Committee. D. Rummery commended the Chief of Staff for his expedient handling of this matter and also the prompt attention of the Credentials Committee in order that the new doctor in Schreiber would have these formalities completed before he arrives to begin his new practice.

Under new business, R. McAdam read the program for the Small Hospital Conference to be held in Sault Ste. Marie on September 5, 1973. Don Beno, of our Board, will be part of a reaction panel to present the views of hospital trustees regarding a paper to be given on "Organizing Community Health Services". Board members were urged to attend this conference if at all possible.

The next regular meeting is scheduled for Tuesday, August 21, 1973 in the Terrace Bay Municipal Office.
