TERRACE BAY COUNCIL QUOTES

With almost a month elapsing since the last Council meeting a very lengthy agenda was scheduled for the August 14th meeting held in Council Chambers.

Reeve Roy Bray was in the chair with Councillors Brassard, Hale and Megraw present.

With no business arising from the July 18th meeting these minutes were passed.

The July Recreation account in the amount of \$9,397.16 and the August Township \$276,064.33, Library \$582.94 and Hydro \$9,630.17 were passed for payment.

Under correspondence, several letters were received by Council. A draft resolution to be passed by Council with respect to the purchase of certain lands in the township from Kimberly Clark of Canada Ltd. was received from the township lawyer. After the passing of this resolution the certified copies are returned and approval must be given from the Minister of Revenue before these lands can be purchased by the township.

The Ministry of the Environment recently inspected the Municipal waste disposal site and have forwarded to council their recommendations which will upgrade the site to regulation standards. These recommendations were: 1. the disposal area which has been closed off should be properly grassed. 2. refuse along the access road should be collected and deposited over the face. 3. A sign should be erected at the face stating to dump over the edge. 4. bump logs should be erected along the dumping face. 5. the turning area should be upgraded. A copy of these recommendations will be forwarded to Kimberly Clark.

LOCAL UNION SETTLES LABOUR AGREEMENT

The Local 665, United Paperworks International Union, on August 16, 1973 ratified a Labour Agreement with Kimberly-Clark of Canada Terrace Bay Mill Division, covering 350 employees under its jurisdiction for a two year contract, terminating April 30, 1975.

This is the first agreement reached within the Central Canada Mills.

The major negotiated improvements were: 8½ percent increase in general wage in each year of the contract, producing a mill base rate of \$4.57 per hour in the second year of the agreement.

Other achieved improvements were a major improvement to the Employees Retirement Plan which is Non-Contributory. Increased shift premiums. Improved vacations with two additional floating holidays during the life of the agreement. Improvements to the sick leave plan with the addition of a Long Term Disability Plan, fully paid by the Company. A paid drug plan plus the gain of other Contract improvements.

The vote taken on August 15th was 84% in favour.

The Local's Negotiating Committee was assisted by International Representative Mr. Frank Talarico.

Future Tourist Attraction?

IN 1880 Thomas Hughes, whose classic "Tom Brown's School Days" was modeled after Rugby, his own British school, founded a settlement of the same name about 50 miles northwest of Knoxville. The venture failed, but the old buildings of Rugby, Tennessee, are now being restored and may become a tourist attraction.
