

Children's Visiting - continued

lations which will be distributed to all parents. Also, they could help with the feeding of children at the dinner meal, if they wish.

Since this is a new policy, both for the public and hospital staff, the Board asks that everyone use the same courtesies when visiting in the Children's Ward as are used for adult visiting. Individual differences are even more important when pertaining to children and parents or friends should be constantly aware of this fact, especially in relation to other children in the hospital. The hospital nursing staff will do its best to supervise the visiting hours and to be available to answer questions of parents. Naturally, nursing care responsibilities in the rest of the hospital will determine the degree of availability and parents are asked to take this into account especially during the initial period of this new policy.

If any person has any questions regarding this new hospital policy or the regulations, please contact Vic Mazzone, Administrator or Mae MacLeod, Director of Nursing.

RECREATION NEWS

ALL-STAR MINOR BALL:

On Saturday, September 1st, the Girls League from Manitouwadge visited Terrace Bay to play against the Terrace Bay Girls League but lost both their games to Terrace Bay. The American All-Stars of Terrace Bay journeyed to Manitouwadge on Sunday, September 2nd, but unfortunately lost out to Manitouwadge.
