

Schreiber Fastball - continued

Mikus, Neil Foot and Kit Thomas but some fine replacements surfaced.

TERRACE ANYONE?

There were 13 players from Terrace Bay playing in the Schreiber Fastball League this year and there must be many more around. Now that there is a good ball field by the high school I don't see why there can't be one or two teams entered in the league from town. Fastball wouldn't hurt Terrace Bay one bit.
