## BOARD OF EDUCATION MEETING

The Lake Superior Board of Education held its regular meeting in Marathon High School on Thursday, September 13th.

The Minutes of Meeting No. 8/73 held August 16th, 1973 were declared adopted and the Minutes of Meeting No. 34 of the Trainable Retarded Children's Advisory Committee were acknowledged as received.

The Board approved the re-hiring of Mrs. E. Stoddard as an assistant to Mrs. A. Deol at the Caroline McMorland School, at a rate of \$2.40 per hour, effective September 3rd, 1973.

The Advisory Committee for the Caroline McMorland School is to draft, for purposes of tender, specifications and design for signs for the new school location.

Disbursements for the period ending July 31, 1973 totaled \$141,148.36.

The Board accepted the following resignations with regret:

Mrs. B. Schermann, secretary, Manitouwadge High School, effective August 31, 1973. Mrs. P. Kohtala, half-time secretary, Manitouwadge High School, effective July 20, 1973.

The following appointments, were approved with salary according to schedule:

Miss P. Longstreet, secretary, Manitouwadge High School, effective August 28, 1973. Mrs. V. Armstrong, half-time secretary, Manitouwadge High School, effective August 13, 1973. Mr. H. Kohtala, custodian, Manitouwadge High School, effective August 30, 1973. As Principals for Evening Courses of Study for 1973-74 - Mr. R.A. Bailey-Manitouwadge High School; Mr. L. Fraser-Lake Superior High School.

The Board approved the appointment of Mrs.

## FIRST REPORT

This is the first Report of the Food Prices Review Board, appointed by the Government of Canada on May 28th.

Our Board held an organizational meeting on June 18th and then put in progress certain investigations into the nature and causes of recent price increases in Canada. During the past two days the Board has been meeting in Ottawa. On the second day, senior representatives of nine major food retailers were present. We have held discussions with producers as to how the supplies of Canadian products can be increased and stabilized; we have arranged meetings with processors and food manufacturers.

It is our hope to be able to allay the fears and restore the confidence of all Canadians in the food industry, to be able to assure them that an efficient system of production and distribution will ensure adequate supplies of food in markets at prices reasonable for producers, processors, distributors and consumers.

The Board is particularly concerned with the impact of rising food prices on fixed and limited income families and has, at the outset, been directing its attention to a number of staple products whose retail prices have, in most instances, been rising and, more serious still, whose prices appear certain to rise sharply in the immediate future unless action is taken to hold them in check.

The price of bread has risen by a relatively modest 4 per cent over the past 12 months. However, preliminary results of a study we are conducting in depth indicate that, unless present policies of the Canadian Wheat Board are
