Ranger Full Back Door.

THE 'RANGER' DELUXE FULL BACK DOOR MODEL

If you're climbing in and out of your pickup many times a day on the job or at the campsite, this is the travel top for you. You'll appreciate the extra conveniences of "step in" access and the modest additional cost of Ranger's full back door feature. The unique two-way door system lets you use the walk-in door or . . . undo two latches inside and the whole back-end opens up for the really big loads. The 'Ranger' Deluxe will fit all standard 8' pickups.

Model 833-R, Ranger. 33" high above top edge of box. Back panel reaches to floor of box. Higher models available.

Some equipment shown is optional at extra cost.

WE NOW HAVE IN STOCK A FRESH LOAD OF CAMPER KAPS - ESPECIALLY FOR THE HUNTER 17 AVAILABLE RANGING FROM \$295.00 TO \$525.00

FEATURES: - use the walk in door - undo two bolt latches inside and the complete back swings up (handy for big loads, ski-doo's, etc.)-insulated - lights inside & out - sliding windows with screens - air vent. These are only a few of the many features camper kaps offer you.
