Payroll savings sales for the 1973-74 Canada Savings Bonds Campaign in Ontario will be directed by two prominent men in the securities field, Donald N. Fraser of Toronto and David R. Dattels of Kitchener.

They will be responsible for directing the two-month CSB Campaign in the province, commencing Mid-Sept. and ending Nov. 15. In this period, 30 CSB organizers will visit some 2,500 business and industrial establishments to help set up payroll savings plans for the purchase of the new Series by employees.

More than \$133 million worth of Canada Savings Bonds was purchased through payroll savings plans in Ontario last year.

Mr. Fraser will supervise organizers in the Central East Region, which embraces Tor-

onto, Northern and Eastern Ontario, while Mr. Dattels will direct the activities of organizers in the Central West region, which takes in the Hamilton-Niagara area as well as South-western Ontario.

Mr. Fraser, a resident of Toronto, has been in the securities field since 1957, and is associated with a Toronto investment firm.

Mr. Dattels has been active in the investment field since 1932. He is a partner in an investment firm and a director of several Ontario-based companies.

This year marks the 28th anniversary of Canada Savings Bonds which have become recognized through the years as Canada's most popular personal investment. Of that amount, nearly \$5.8 billion has been purchased through the payroll savings plan instituted in thousands of business establishments for their employees.
