

**RECREATION NEWS****ART COURSE:**

The 10-week art course as advertised in the paper last week has now started. The first session was held this past Monday, October 1st in the large meeting room of the Recreation Centre. Mrs. Helen Strickland is the instructor for this course. Sessions will continue up to and including Monday December 3rd.

This course is being held through the sponsorship of Confederation College.

**CHESS:**

All those who registered for this programme will be asked to attend a special meeting in the Conference Room of the Recreation Centre, on Tuesday, October 9th, at 6:30 p.m. This meeting will also be open to anyone else who either had second thoughts or who did not know about the programme. That's 6:30 p.m. on Tuesday, October 9th.

**RED CROSS & ROYAL LIFE INSTRUCTOR COURSE:**

The Recreation Office has received information on a special instructor course that will be held in Thunder Bay over two weekends, October 19th to 21st and October 26th to 28th. Course fee is \$30.00. Anyone interested should simply contact the Recreation Office for further information and application forms.

**DUPLICATE BRIDGE:**

A number of local people have indicated an interest in forming a duplicate bridge club in Terrace Bay. As a result of these enquiries a special meeting will be held on Sunday, October 14th, in the Conference Room of the Recreation Centre, starting at 6:30 p.m. If you are interested in the formation of a duplicate bridge club, be sure to attend this very important meeting.

**UPHOLSTERY COURSE TO BE HELD:**

It appears that an upholstery course will be sponsored by the Terrace Bay Recreation Department starting in the early part of January 1974. All details concerning this course will be announced publicly around mid-November. Registration will probably be kept on a 'first come, first served' basis, so watch for further details on this course.

**WINTER EMPLOYMENT:**

Please refer to page 14 for an advertisement outlining winter positions in the Terrace Bay Recreation Department. Anyone interested in any of these positions must submit a letter of

application by the date indicated.

**TODAY'S CHILD**

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

John's background is Irish and Metis, and you see that he is an extremely handsome lad. He is healthy, sturdily built and tall for his age with brown eyes, dark hair and olive skin. He wears glasses for near-sightedness.

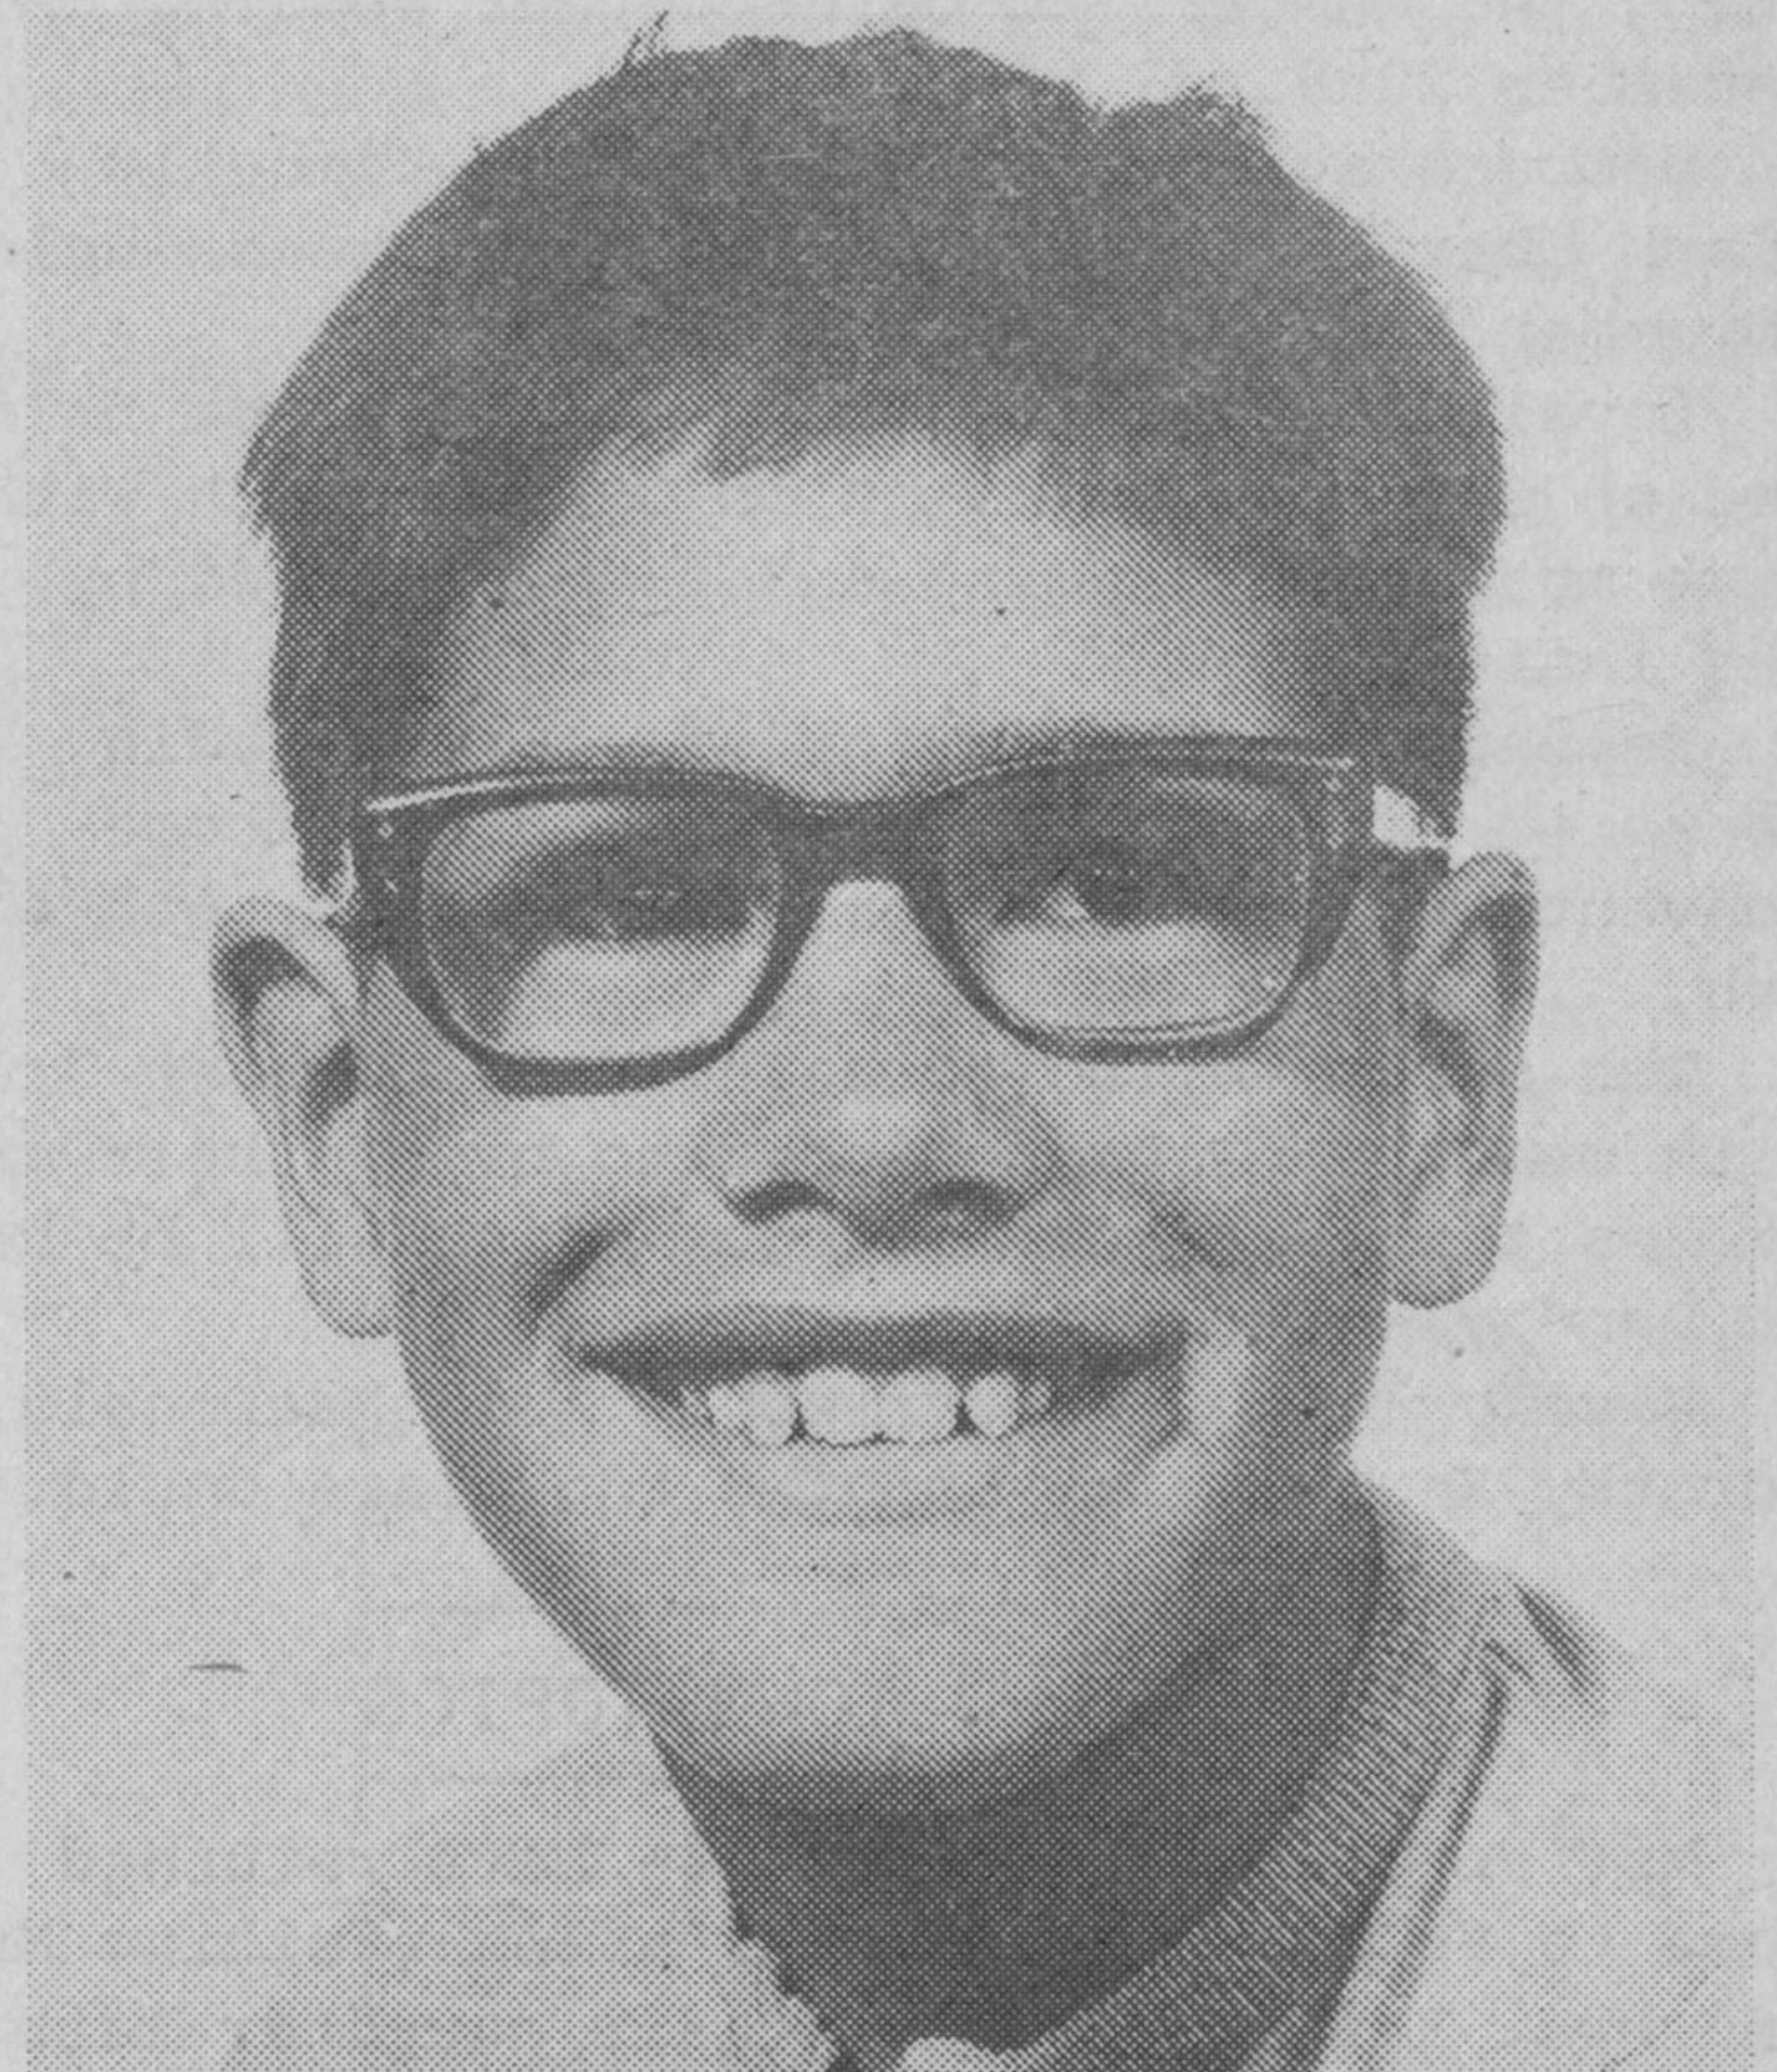

John, 10, is above average in intelligence and has always done excellent work in school, especially in math. In Grade five, his teacher describes him as "co-operative, friendly, outgoing, attention-seeking, self-controlled, quiet and a leader."

John enjoys the physical education program at school. Though good at sports, he sometimes needs a push to get involved in activities other than school work. He likes camping, swimming and is a snowmobiling enthusiast.

Living in a farm foster home, John is interested in the animals, especially the newborn calves. He sometimes needs prodding but usually is happy to help with chores, particularly at feeding times. He likes working on crafts, playing cards and watching television.

John needs a strong, interested father and a warm, relaxed mother in a stimulating home atmosphere. Older children, not too close in age will be an asset.

To inquire about adopting John, please write to Today's Child, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.
