SMALL ENGINE SHOP FOR TERRACE BAY

Another little shop has been opened in Terrace Bay - Scotty's Small Engine Shop.

Here one may drop off small engines, lawn mowers, snow blowers, etc. for repairs by Keith Scott, Proprietor, and pick them up when finished.

Scotty's will also stock Pioneer Chain Saws, two-way radios, portable generators, snow machines, snow blowers, parts for snow machines and bicycles, snow machine suits, and sundry items for the out-door man, for work or play.

Scotty's is located at the rear of Cebrario Hardware.

Two Sides?

He who knows only his own side of the case knows little of that.
