Hospital Convention - continued .....

at the Pickering Report" by the OMA's General Secretary, Dr. F.T.H. Porter.

Trustees will also focus their attention on the Medical Review Committee, labour relations and the Federal and Provincial funding approaches to the concept of the convention theme, Hospital at the Centre.

The General Sessions will feature the keynote address "The Role of the Hospital in our Health Care System" by Mrs. Anne R. Somers, Associate Professor, Rutgers Medical School, a report on the OHA Role study, a panel discussion on the practical application of the concept of the primary contact nurse as well as the Ministry of Health's objectives for rehabilitation and care of the chronically ill and disabled by Health Minister, Dr. R. T. Potter.

Meetings for specialised health personnel who belong to the twenty one sections of the Ontario Hospital Association will run at the same time as the general sessions. The OHA sections range from physio and occupational therapy, nursing administration, purchasing, housekeeping, medical technology and social work to engineering, accountancy and pharmacy.

The largest OHA section, The Hospital Auxiliaries Association of Ontario, with a membership of more than 60,000 will be holding its own annual conference in conjunction with the OHA meetings. Their general sessions will deal with approaches to volunteer turnover and relationships between volunteers and hospital staff.

The OHA, which is a non-profit, voluntary organizations representing all hospitals in Ontario, plus many related health institutions will convene more than 100 speakers and panelists in the three-day convention, the largest for hospital personnel in Canada.

Active participation by 140 suppliers and manufacturers make the OHA Convention Canada's largest exhibition of modern hospital equipment

**HOMES FOR THE AGED MEETING HELD IN TERRACE BAY**

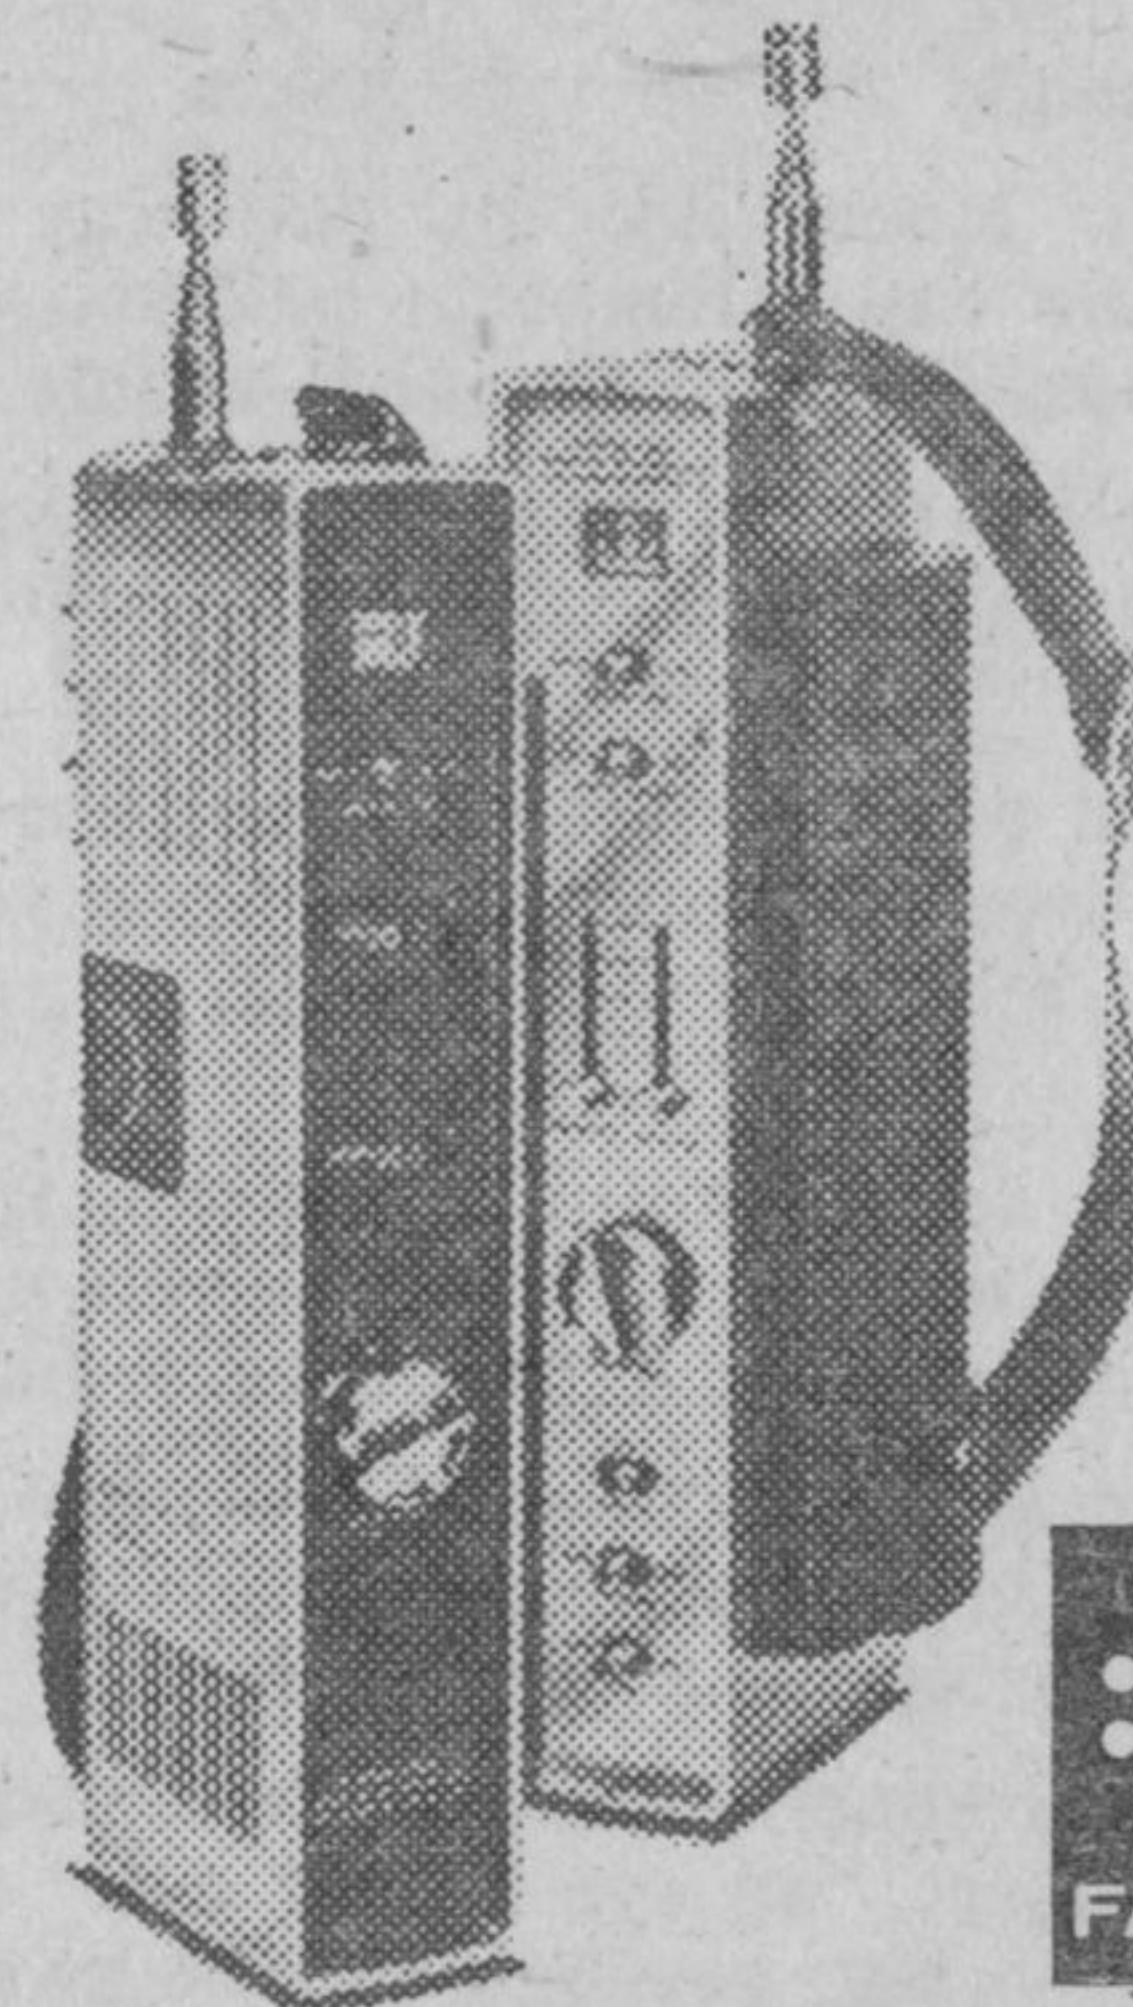

The District of Thunder Bay Homes for the Aged held their October meeting at Birchwood Terrace in Terrace Bay on Saturday, October 6.

The Board reviewed the work in progress prior to dinner. The meeting began at 1:00 with the election of a new Chairman. Mr. Jim Symington having completed a second three year term; the first term beginning in 1966 and ending in 1969, the second from 1970 until present. Mr. Symington stated that he enjoyed working with the Board. It was during his term of office that Pinewood Court on James Street was opened in 1968 and has been serving Senior Citizens in the District. It is now well established and is among the finest homes in the province. continued page 4 .....

**Editor's Quote Book**

*"He who cannot in his own house entertain a guest, when abroad will find few to entertain him."*

—Chinese Proverb

Consider how many hours are lost everyday, by people not being able to communicate: manager to foremen, to workers, and back.

Now consider Fanon walkie-talkies: private telephones, without the poles, wires and busy signals. You reach people instantly, wherever they happen to be. Instructions get issued, questions get answered, and work gets done without delay. And when the work gets done faster, the more profitable your business is going to be.

Fanon walkie-talkies. They can make yours the most profitable business in the business. Six models and prices, one just right for your operations.
