If only the Sabres could buy one of Canadiens' goalies ...

Vancouver had a great exhibiton schedule, finishing with a better than .500 percentage and is bound to improve on last year's won-lost record of 22-47-9.

The Islanders have the No. 1 draft pick in Denis Potvin and the latter should be a boon to the team that wound up 1972-73 with the worst record in hockey -- 12 wins, 60 losses and six ties.

The Red Wings? Well, aside from Mickey Redmond and Marcel Dionne they haven't got anything. That plus the fact that they have the worst front office in the league rates them no better than eighth, in my books.

Explanation on the west division next week.

Sailing Event - continued from page I

international meet is handled by a Canadian and American executive on alternate years. 1973 was a Canadian year.

The regatta consists of six days of racing, covering approximately 15 miles each day and was judged on total accumulated time. The race is open to all classes of boats over 16' in length.

This years fleet consisted of 73 boats divided into four categories. Charlie's category was centre board day sailers and there were 15 boats in this division.

Charlie and his crew through skill and good judgement placed first in their class.

It is interesting to note that this was this group's first venture in racing and were pitted against seasoned racers who were also very familiar with the Lake of the Woods.

Participants in the race were from as far away as Arizona.
