Council Quotes - continued

Sudbury sent a resolution seeking Terrace Bay's support to ask the Federal Government to extend assistance for sewage collection and disposal systems. Township Council will try and obtain more information about this before they submit a reply.

A letter from Pinewood Court to arrange a meeting with participating municipalities and social workers on November 8th was read. Terrace Bay Council will ask for the meeting to be held on November 15th due to other functions occurring that night.

Under new business Council was asked their opinion of municipal employees being paid biweekly.

No objections were voices but the mechanics of this move will be looked into before going ahead.

Council agreed to the height of the cemetery fence to be four feet.

The annual dinner hosted by Council for unpaid committee members appointed by Council was set for December 1st in the Legion Hall.

A discussion was held on the fire department's responsibility for the private landing facility presently under construction. It was stated the fire department was not responsible for this area.

The replacement fence for the septic tank and damaged street signs were also discussed.

The Marathon survey regarding garbage collection continued page 3

NOTICE KIMBERLY-CLARK POLICY RE: CLEARING DRIVEWAYS

It is the intention of Kimberly-Clark to discontinue the clearing of driveways by the Winter of 1974-75, except for those people who are involved in emergency services to the Mill or Town.

As a step towards this and in order to reduce the amount of snow clearing this year, the clearing of driveways by Kimberly-Clark will be restricted to - Kimberly-Clark employees and Kimberly-Clark pensioners (over 65) and widows of employees and those people providing essential services to the Town (these were the people who driveways were cleared the night of the storm in previous years).

Anyone who is included in the above category who wishes to have their driveway cleared on a continuous basis may do so by filling in an application at the Watchman's Station.

As in the past, you will be billed once per year (April) for the number of times your driveway is cleared at \$3.00 per clearing.

Driveways will be cleared only when equipment is available

In order to avoid damage to snowblowers or your property, please remove any objects from your driveway that could be chopped up or thrown by the snow blower.

J.S. Chapman, Services Superintendent.
