Board of Education Meeting - continued

Correspondence from O.S.T.C. indicated no Educational Conference exclusive to Region I would be held.

The Director of Education and three delegates will attend the O.S.T.C. Education Conference in Sudbury on November 8-IO, I973, and use the Board car for transportation.

Tentative selection indicates that R.A. Cressman, H.J. Boudreau, M. Reid, and A.S. Gordon may attend.

Correspondence from O.S.T.C. detailing recent new legislation re: Re-Investment of O.M.E.R.S. Funds was read. The Director is to reply providing support for O.S.T.C.'s Position on the matter.

Correspondence from The Ottawa Board of Education re: Timing of payment of monies by municipalities to the school board was read and discussed.

The Director is to write to Reliable Life Insurance for clarification of paragraph 3, page 8 of the master policy. Should the Company not take steps to more clearly delineate their policy on transporting insured students, it is recommended by Trustee G. Fairservice that this Board contract a different firm to underwrite student accident insurance in 1974-75.

Saturday, February 23rd, I974, at Manitou-wadge Public School, the first "Let's. Talk

Education" meeting will occur. Agenda details will be issued in early February.

The appeal by the Municipality of Marathon of the O.M.B. decision on Assets and Liabilities has been postponed to November.

The Lake Superior Board of Education will purchase a membership to the Ontario Municipal Recreation Association at an annual fee of ten dollars (\$10.00).

Trustee R. Weeks requested that at the November meeting a list of tax arrears eligible for write-off be presented.

The meeting adjourned.
