SCHREIBER KINETTES HOST MEETING

The Schreiber Club hosted the Zone 4 Kinettes meeting, with the following officers attending: Carole Gibbon, district co-ordinator; Jean Helliwell, Hill City president; Diane Valasore, Fort City president and Linda Elliott, Nip-Rock president; with Edythe Cosgrove, Schreiber president.

Following a cocktail hour in the town hall the group went on to the United Church hall for dinner and returned to the hall for their meeting and program.

The evening began with a farcical skit, when Kinsmen in widely improbable attire impersonated Kinettes seeking election as officers. These gauche models were introduced by Brenda Birch who described their ensembles and Betty Ann Klassen interviewed, eliciting some strange ideas of their knowledge of the office they were seeking.

Judges Janet Beitz, Betty Hutton and Maureen Kusk awarded the prize to Stepanie Steno, a would-be secretary.

Bruce Gordon, Kinsmen deputy governor, presented a crown and somewhat bedraggled bouquet and obviously taken aback when he was seized and passed down the line of models, enthusiastically embraced and soundly kissed!

The skit was planned by Pat Moore and Doug

Moore provided background music.

In her address, Carole Gibbon spoke on the meaning of Kin, its objectives and the importance to each Kinette in not just being a member but becoming actively involved in the work; the benefits accruing in developing lasting friendships and the personal satisfaction in being part of worthwhile projects which are not only local, but national and on occasion, international.

She described at length the mighty effort being expanded on the program planned for the national convention 'Red River Days' in Winnipeg, Aug. 21-24, and the ways in which other clubs can assist in many ways.

At the conclusion of her speech she presented a small table banner to Schreiber president, signifying that during her term of office she has visited this club.

During the evening Ruth Ann Birch and Mary Speziale ran many draws, with attractive prizes and the usual fines were levied for amusing reasons.

Mrs. Lawrence Tremblay, who is leaving for a new home in Bramalia - her husband having been transferred to Toronto by the CPR, was honoured at a dinner arranged by Brownie Leader, Guiders and members of the ladies auxiliary which supports both organizations. Thanking their guest for the interest and time she had given the movement, the group presented a farewell gift.

Mr. and Mrs. Morrow Riddell of Durham, Ont. have spent this week at their camp at Sand Lake, while visiting their many old friends in Schreiber.
