

RECREATION NEWS

ARENA SCHEDULE:

The Terrace Bay arena was open to the public this past Monday, October 29th. Through the co-operation of the Terrace Bay News, we will be publishing a weekly arena schedule for the convenience of the public. Due to the demand for open public skating session during the first week of arena ice, the first arena schedule will not be publicized in the paper until next week. ARENA SCHEDULES ARE POSTED AT THE ARENA, RECREATION BULLETIN BOARD AND ALL SCHOOLS. Be sure to refer to these schedules for the various activities that have been scheduled. We request the co-operation of the general public to make proper use of our arena facilities.

PUBLIC SKATING:

For all public skating sessions scheduled this year, Recreation members will be allowed free admission and non-members will pay the following rates: Adults - 50¢; students and children - .25¢.

HEATING PROBLEM IN THE ARENA:

Due to the delayed completion date for conversion of heat in the Recreation Centre, the regular source of heat will not be available until the end of November. In the meantime, the contractors are attempting to install an alternate source of heat until the main heating system has been completed.

We apologize to the general public for any inconvenience this problem will cause; however, we ask for your co-operation in this regard for the next month.

STRETCH EXERCISING AND POWER SKATING SCHOOL:

The Terrace Bay Minor Hockey Association is pleased to announce that a 6-week Stretch Exercising and Power Skating School will be held for players who registered this year in the Atoms and Peewees.

Miss Sharon Bougie has graciously volunteered her time to instruct the entire course.

Notices have been typed up on this program indicating all particulars. All coaches and players in the Atom and Peewee leagues should have received their copy of this program during this week. If you require further information, contact Mr. Fred McMillan, convener of the Atoms, or Mr. Chick Thompson, convener of the Peewees.

The first two sessions will be stretch exercises and they will be held at St. Martin's gymnasium. These two off-ice sessions will

then be followed by 6 weeks of on-ice sessions. The Minor Hockey Association encourages all coaches and managers in the Atoms and Peewees to attend all sessions with their players.

REFEREES CLINICS IN TERRACE BAY THIS WEEKEND:

Through the sponsorship of the Canadian Amateur Hockey Association, the Thunder Bay Amateur Hockey Association and the Sports and Recreation Branch of the provincial government, two hockey referees clinics will be held this weekend as follows:

Saturday, November 3rd - Referees clinic - geared for the more advanced referee (i.e., those who referee in the junior leagues)

Sunday, November 4th - Referees clinic - geared to referees who work in the Minor Hockey level.

The instructor for this course will be Mr. George Trembly of Marathon. Both clinics will start at 9:00 in the morning and continue until 5:30 p.m. in the large meeting room of the Recreation Centre. cont'd page 15 ...

CROSSWORD PUZZLE

ACROSS	DOWN	20. Clem-ent Clarke	TODAY'S ANSWER
1. Word before and after "where"	1. Disintegrate	23. Nut-cracker and others
